MEMORANDUM FOR: Management and Organization Division  
Office of the Chief Financial Officer/Chief  
Administrative Officer

FROM: W/OS7 Kevin Schrab,   
Chief, Observing Services Division

SUBJECT: Certification of NWSI 10-2101, General Instructions  
for Terrestrial-Based In-Situ Instrument and Algorithm  
Intercomparisons for the Purpose of Climate Data  
Continuity, Dated October 5, 2005

The Observing Services Division reviewed National Weather Service Procedural Directive NWSI 10-2101, General Instructions for Terrestrial-Based In-Situ Instrument and Algorithm Intercomparisons for the Purpose of Climate Data Continuity and certifies it requires no updating during its FY 2008 biennial review cycle.

Responsibility for the directive is currently held by:

OPR: John Newkirk, W/OS7  
Certifier: Kevin Schrab, W/OS7  
Approving Authority: David Caldwell, Director, Office of Climate,  
Water and Weather Services
