

April 14, 2004

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: Douglas Hess (signed)
Director, Field Systems Operations Center

SUBJECT: Certification of 80-201, System Commissioning Process
dated October 3, 2002

The Office of Operational Systems has reviewed National Weather Service Procedural Directive 80-201, System Commissioning Process and certifies it is current and requires no updating during its FY 2004 annual review cycle.
