

April 15, 2004

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: John McNulty (signed)
Director, Office of Operational Systems

SUBJECT: Certification of 80-2, System Commissioning and
Decommissioning dated October 1, 2002

The Office of Operational Systems has reviewed National Weather Service Policy Directive 80-2, System Commissioning and Decommissioning and certifies it is current and requires no updating during its FY 2004 annual review cycle.
