

However, the amount deducted for any period will not exceed 15 percent of the disposable pay from which the deduction is made; unless the employee has agreed in writing to the deduction of a greater amount. If possible, the installment payment will be sufficient in size and frequency to liquidate the debt in three years. Installment payments of less than \$25 per pay period or \$50 a month will be accepted only in the most unusual circumstances.

(c) *Sources of deductions.* The Department will make deductions from the employee's pay.

§ 22.15 Procedures for salary offset—Imposition of interest, penalties, and administrative costs.

These charges will be made on installment payments in accordance with the Office of Personnel Management regulations (5 CFR 550.1104(n)) and the requirements contained in the FCCS (4 CFR 102.13).

§ 22.16 Non-waiver of rights.

So long as there are no statutory or contractual provisions to the contrary, no employee involuntary payment (of all or a portion of a debt) collected under these regulations will be interpreted as a waiver of any rights that the employee may have under 5 U.S.C. 5514, these implementing regulations, or any other provision of contract or law.

§ 22.17 Refunds.

The Department will refund promptly to the appropriate individual amounts offset under these regulations when:

(a) A debt is waived or otherwise found not owing the United States (unless expressly prohibited by statute or regulation); or

(b) The Department is directed by an administrative or judicial order to refund amounts deducted from the employee's current pay.

These regulations are intended to comply with 39 U.S.C. 3220(a)(2), and the Office of Juvenile Justice and Delinquency Prevention (OJJDP) guidelines (50 FR 46622), to assist in the location and recovery of missing children through the use of penalty mail.

§ 23.3 Plan.

(a) The Department of Commerce will supplement and expand the national effort to assist in the location and recovery of missing children through the economical use of missing children information in domestic penalty mail directed to the public and Federal employees.

(b) The Department of Commerce may include, on or inside authorized types of penalty mail, pictures and biographical data related to missing children, provided such use is determined to be cost effective. The authorized types of penalty mail include:

(1) All envelopes; and

(2) Self-mailer publications (newsletters, bulletins, etc.) with a shelf-life of no more than 90 days.

(c) The manner in which pictures and biographical data may be used includes:

(1) Printing on envelopes at the time they are initially printed with the United States Postal Service (USPS) required postal code identification;

(2) Printed inserts that are placed in envelopes along with other mailing material;

§ 23.4

(3) Stickers that are printed and placed on envelopes prior to mailing; and

(4) Printing as part of the content of self-mailers such as bureau newsletters, bulletins, etc.

(d) Missing children information will not be placed on letter-size envelopes in the areas described as the "Penalty Indicia Area," "OCR Read Area," "Bar Code Read Area," and "Return Address Area" per Appendix A of the OJJDP guidelines.

(e) The National Center for Missing and Exploited Children (National Center) will be the sole source from which the Department of Commerce will obtain the camera-ready and other photographic and biographical materials for use by organizational units. Photographs which were reasonably current as of the time of the child's disappearance shall be the only acceptable form of visual media or pictorial likeness used on or in penalty mail.

(f) The Department of Commerce will remove all printed penalty mail envelopes and other materials from circulation or other use (i.e., use or destroy) within 90 days of notification by the National Center of the need to withdraw penalty mail envelopes and other materials related to a particular child from circulation. The Department of Commerce will not include missing children information on blank pages or covers of items such as those to be included in the Superintendent of Documents' Sales Program, or to be distributed to Depository Libraries, as such material generally could not be withdrawn from use within 90 days of notification. The National Center will be responsible for immediately notifying the Department Contact Person, in writing, of the need to withdraw from circulation penalty mail envelopes and other materials related to a particular child.

(g) The Department of Commerce will give priority:

(1) To penalty mail that is addressed to the public for receipt in the United States, its territories and possessions; and

(2) To inter- and intra-agency publications and other media that will be widely disseminated to and viewed by Federal employees.

15 CFR Subtitle A (1-1-03 Edition)

(h) All suggestions and/or recommendations for innovative, cost-effective techniques should be forwarded to the Department Contact Person. The Department Contact Person shall conduct biannual meetings of departmental representatives to discuss the current plan and recommendations for future plans.

(i) This shall be the sole regulation implementing this program for the Department of Commerce.

§ 23.4 Cost and percentage estimates.

It is estimated that this program will cost the Department of Commerce \$39,530 in the first year. It is the Department of Commerce's estimate that 9% of its penalty mail will transmit missing children photographs and information when the program is fully implemented.

§ 23.5 Report to the Office of Juvenile Justice and Delinquency Prevention.

The Department of Commerce will compile and submit a consolidated report to OJJDP, by June 30, 1987, on its experience in implementation of 39 U.S.C. 3220(a) (2), the OJJDP guidelines, and the Department of Commerce's regulation. This report will cover the period from December 24, 1986 through March 31, 1987, and provide detail on:

(a) The Department of Commerce's experience in implementation (including problems encountered), successful and/or innovative methods adopted to use missing children photographs and information on or in penalty mail, the estimated number of pieces of penalty mail containing such information, and the percentage of total penalty mail directed to the public which included missing children information.

(b) The estimated total cost to implement the program, with supporting detail, and

(c) Recommendations for changes in the program to make it more effective.
