

Thurmont Vista Loop

Thurmont Vista Loop - is accessed from two different parking lots off of Park Central Road. The first parking lot is the Wolf Rock Parking Lot and requires a further hike to the Thurmont Vista overlook then accessing the trail from the Thurmont Vista Parking Lot.

This loop is a moderate trail with both uphill and downhill sections of the trail. The maximum elevation reached on this trail/loop is at the Thurmont Vista Overlook with an elevation of 1499 feet.

Take a minute at the vista to reflect on the change and impact people have had on these mountains.
