FedBizOpps Announcement for SmartBUY Oracle Database Software. -----

Pursuant to Section 5112 of the Clinger Cohen Act of 1996, the Office of Management and Budget (OMB) initiated a federal government-wide software enterprise-licensing program called SmartBUY. The SmartBUY program consolidates the purchasing power of the federal government to obtain optimal pricing and preferred terms and conditions. GSA is the executive agent leading the SmartBUY initiative.

The purpose of this notice is to announce GSA's intention to establish an Oracle enterprise licensing agreement (ELA) for a major cabinet level agency. This SmartBUY Agreement will make available Oracle license products and technical support, professional consulting, and training services. This Agency specific ELA will mark the completion of Phase I of the government current three-phased approach for establishing a SmartBUY Oracle agreement Government-wide.

For more information, interested parties should contact the SmartBUY Program Office, 202-219-0177 (fax).
