- I. **Purpose:** To correct information provided in Veterans' Program Letter (VPL) 08-00 dated June 20, 2000.
- II. **Background:** In section II, Background, paragraph two of VPL 08-00, there is a statement that reads, "The USAJOBS data base is regularly transmitted to America's Job Bank (AJB) which forwards them to the State Employment Service Offices." We have subsequently learned that this statement is not correct. There is a hyperlink from AJB to USAJOBS and a hyperlink from USAJOBS to the AJB website. The link from ABJ to USAJOBS may be accessed by clicking on "State Sites" on the AJB opening screen. The next screen will have an icon called "Federal Jobs." By clicking on the Federal Jobs icon, the user will be taken to the USAJOBS Internet site. As previously indicated, USAJOBS may be accessed directly on the Internet at: [www.usajobs.opm.gov](http://www.usajobs.opm.gov).
- III. **Action:** All staff are to be advised of this correction.
