
GENERAL RECORDS SCHEDULE 26

Temporary Commissions, Boards, Councils and Committees

Note: This schedule covers records created and maintained by temporary commissions, boards, councils and committees (including continuing entities governed by renewable charters such as agency advisory committees). In the case of interagency bodies, this schedule covers the records maintained by the designated secretariat as well as records accumulated by other commission members.

This schedule does not apply to the records of Presidential commissions, boards, councils and committees covered by the Presidential Records Act.

For convenience, the term “commission” is used in this schedule to cover all types of temporary organizations.

The record series described in this schedule are created and maintained in different media and formats, therefore this schedule is written to authorize the disposition of the records in any media (media neutral). Agencies are required to refer to the most current version of the Code of Federal Regulations (CFR) and other relevant guidance to ensure that the media and format that is chosen by the agency meets NARA’s transfer requirements for permanent records. See 36 CFR Sections: 1228.266 – Audiovisual Records; 1228.268 – Cartographic and Architectural Records; 1228.270 – Electronic Records; 1230.026 – Microform Records

When records are created and maintained electronically, NARA prefers that the archival copy be transferred to the National Archives in an approved electronic format.
