#### **Notice of May 17, 2005**

##### **Continuation of the National Emergency With Respect to Burma**

On May 20, 1997, the President issued Executive Order 13047, certifying to the Congress under section 570(b) of the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 1997 (Public Law 104–208), that the Government of Burma has committed large-scale repression of the democratic opposition in Burma after September 30, 1996, thereby invoking the prohibition on new investment in Burma by United States persons contained in that section. The President also declared a national emergency to deal with the threat posed to the national security and foreign policy of the United States by the actions and policies of the Government of Burma, invoking the authority, *inter alia*, of the International Emergency Economic Powers Act, 50 U.S.C. 1701 *et seq.* On July 28, 2003, I issued Executive Order 13310 taking additional steps with respect to that national emergency by putting in place an import ban required by the Burmese Freedom and Democracy Act of 2003 and prohibiting exports of financial services to Burma and the dealing in property in which certain designated Burmese persons have an interest.
