

return for the taxable year including such December 31. The statement shall set forth the name, address, employer identification number, and taxable years of each of the other component members (including wholly owned subsidiaries) of the controlled group. Such other members shall attach a copy of the statement to their income tax returns for their taxable years including such December 31. An election plan adopted by a controlled group with respect to a particular December 31 shall be valid only for the taxable year of each member of the group which includes such December 31.

(3) Each component member of a controlled group which is a wholly owned subsidiary of such group with respect to a December 31 shall be deemed to consent to an election with respect to such December 31, provided each component member of the group which is not a wholly owned subsidiary consents to the election plan. A component member of a controlled group shall be considered to be a wholly owned subsidiary of the group with respect to a December 31 if, on each day preceding such date during its taxable year which includes such date, all of its stock is owned directly by one or more corporations which are component members of the group on such December 31.

RECORDS, STATEMENTS, AND SPECIAL RETURNS

§ 1.6001-1 Records.

(a) *In general.* Except as provided in paragraph (b) of this section, any person subject to tax under subtitle A of the Code (including a qualified State individual income tax which is treated pursuant to section 6361(a) as if it were imposed by chapter 1 of subtitle A), or any person required to file a return of information with respect to income,

shall keep such permanent books of account or records, including inventories, as are sufficient to establish the amount of gross income, deductions, credits, or other matters required to be shown by such person in any return of such tax or information.

(b) *Farmers and wage-earners.* Individuals deriving gross income from the business of farming, and individuals whose gross income includes salaries, wages, or similar compensation for personal services rendered, are required with respect to such income to keep such records as will enable the district director to determine the correct amount of income subject to the tax. It is not necessary, however, that with respect to such income individuals keep the books of account or records required by paragraph (a) of this section. For rules with respect to the records to be kept in substantiation of traveling and other business expenses of employees, see § 1.162-17.

(c) *Exempt organizations.* In addition to such permanent books and records as are required by paragraph (a) of this section with respect to the tax imposed by section 511 on unrelated business income of certain exempt organizations, every organization exempt from tax under section 501(a) shall keep such permanent books of account or records, including inventories, as are sufficient to show specifically the items of gross income, receipts and disbursements. Such organizations shall also keep such books and records as are required to substantiate the information required by section 6033. See section 6033 and §§ 1.6033-1 through 1.6033-3.

(d) *Notice by district director requiring returns statements, or the keeping of records.* The district director may require any person, by notice served upon him, to make such returns, render such statements, or keep such specific records as will enable the district director to determine whether or not such person is liable for tax under subtitle A of the Code, including qualified State individual income taxes, which are treated pursuant to section 6361(a) as if they were imposed by chapter 1 of subtitle A.

(e) *Retention of records.* The books or records required by this section shall

be kept at all times available for inspection by authorized internal revenue officers or employees, and shall be retained so long as the contents thereof may become material in the administration of any internal revenue law.

TAX RETURNS OR STATEMENTS

§ 1.6011-1 General requirement of return, statement, or list.

(a) *General rule.* Every person subject to any tax, or required to collect any tax, under Subtitle A of the Code, shall make such returns or statements as are required by the regulations in this chapter. The return or statement shall include therein the information required by the applicable regulations or forms.

(b) *Use of prescribed forms.* Copies of the prescribed return forms will so far as possible be furnished taxpayers by district directors. A taxpayer will not be excused from making a return, however, by the fact that no return form has been furnished to him. Taxpayers not supplied with the proper forms should make application therefor to the district director in ample time to have their returns prepared, verified, and filed on or before the due date with the internal revenue office where such returns are required to be filed. Each taxpayer should carefully prepare his return and set forth fully and clearly the information required to be included therein. Returns which have not been so prepared will not be accepted as meeting the requirements of the Code. In the absence of a prescribed form, a statement made by a taxpayer disclosing his gross income and the deductions therefrom may be accepted as a

tentative return, and, if filed within the prescribed time, the statement so made will relieve the taxpayer from liability for the addition to tax imposed for the delinquent filing of the return, provided that without unnecessary delay such a tentative return is supplemented by a return made on the proper form.

(c) *Tax withheld on nonresident aliens and foreign corporations.* For requirements respecting the return of the tax required to be withheld under chapter 3 of the Code on nonresident aliens and foreign corporations and tax-free covenant bonds, see § 1.1461-2.

§ 1.6011-2 Returns, etc., of DISC's and former DISC's.

(a) *Records and information.* Every DISC and former DISC (as defined in section 992(a)) must comply with section 6001 and the regulations thereunder, relating to required records, statements, and special returns. Thus, for example, a DISC is required to maintain the books of account or records described in § 1.6001-1(a). In addition, every DISC must furnish to each of its shareholders on or before the last day of the second month following the close of the taxable year of the DISC a copy of Schedule K (Form 1120-DISC) disclosing the amounts of actual distributions and deemed distributions from the DISC to such shareholder for the taxable year of the DISC. In the case of a deficiency distribution to meet qualification requirements, see § 1.992-3(a)(4) for requirements that distribution be designated in the form of a communication sent to a shareholder and service center at the time of distribution.

(b) *Returns—(1) Requirement of return.* Every DISC (as defined in section 992(a)(1)) shall make a return of income. A former DISC (as defined in section 992(a)(3)) shall also make a return of income in addition to any other return required. The return required of a DISC or former DISC under this section shall be made on Form 1120-DISC. The provisions of § 1.6011-1 shall apply with respect to a DISC and former DISC. A former DISC should indicate
