§ 1.6153-1 Payment of estimated tax by individuals.

(a) *In general.* (1) The time for payment of the estimated tax by individuals for calendar years shall be as follows:

Date of filing declaration	Dates of payment of estimated tax
(i) On or before April 15	In 4 equal installments—one at time of filing declaration, one on or before June 15, one on or before September 15, and one on or before January 15 of the succeeding taxable year.
(ii) After April 15 and before June 16 if not required to be filed on or before April 15.	In 3 equal installments—one at time of filing declaration, one on or before September 15, and one on or before January 15 of the succeeding taxable year.
(iii) After June 15 and before September 16 if not required to be filed on or before June 15.	In 2 equal installments—one at time of filing declaration, and the other on or before January 15 of the succeeding taxable year.
(iv) After September 15 if not required to be filed on or before September 15.	In full at time of filing declaration.

(2) If, for example, due to the nature and amount of his gross income for 1955, the taxpayer is not required to file his declaration as of April 15, but is required to file the declaration on or before June 15, 1955, the case comes within the scope of subparagraph (1)(ii) of this paragraph and the estimated tax is payable in 3 equal installments, the 1st on the date of filing, the 2d on or before September 15, 1955, and the 3d installment on or before January 15, 1956.

(3) If a declaration is filed after the time prescribed in section 6073(a) (including any extension of time granted for filing the declaration), there shall be paid at such time all installments of the estimated tax which would have been payable on or before such date of filing if the declaration had been timely filed in accordance with the provisions of section 6073(a). The remaining installments shall be paid at the times and in the amounts in which they would have been payable if the declaration had been timely filed. Thus, for example, B, a single man who makes

his return on the calendar year basis, was employed from the beginning of 1955 and for several years prior thereto at an annual salary of \$6,000, thus meeting the requirements of section 6015(a). B filed his declaration for 1955 on September 16, 1955. In such case, B should have filed a declaration on or before April 15, 1955, and at the time of filing his declaration he was delinquent in the payment of three installments of his estimated tax for the taxable year 1955. Hence, upon his filing the declaration on September 16, 1955, three-fourths of the estimated tax shown thereon must be paid.

(4) In the case of a decedent, payments of estimated tax are not required subsequent to the date of death. See, however, paragraph (c) of § 1.6015(b)-1, relating to the making of an amended declaration by a surviving spouse if a joint declaration was made before the death of the decedent.

(5) The payment of any installment of the estimated tax shall be considered payment on account of the tax for

§ 1.6153-2

26 CFR Ch. I (4-1-04 Edition)

such taxable year. Hence, upon the return for such taxable year, the aggregate amount of the payments of estimated tax should be entered as payments to be applied against the tax shown on such return.

(b) *Farmers or fishermen.* Special provisions are made with respect to the filing of the declaration and the payment of the tax by an individual whose estimated gross income from farming or, with respect to taxable years beginning after December 31, 1962, from fishing is at least two-thirds of his total gross income from all sources for the taxable year. As to what constitutes income from farming or fishing within the meaning of this paragraph, see paragraph (b) of § 1.6073-1. The declaration of such an individual may be filed on or before January 15 of the succeeding taxable year in lieu of the time prescribed for individuals generally. Where such an individual makes a declaration of estimated tax after September 15 of the taxable year, the estimated tax shall be paid in full at the time of the filing of the declaration.

(c) *Amendment of declaration.* If any amendment of a declaration is filed, the remaining installments, if any, shall be ratably increased or decreased, as the case may be, to reflect the increase or decrease in the estimated tax by reason of the amendment. If any amendment is made after September 15 of the taxable year, any increase in the estimated tax by reason thereof shall be paid at the time of making the amendment.

(d) *Installments paid in advance.* At the election of the taxpayer any installment of the estimated tax may be paid prior to the date prescribed for its payment.

§ 1.6153-2 Fiscal years.

In the case of an individual on the fiscal year basis, the dates prescribed for payment of the estimated tax shall be the 15th day of the 4th month, the 15th day of the 6th month, and the 15th day of the 9th month of the taxable year and the 15th day of the 1st month of the succeeding taxable year. For example, if an individual having a fiscal

year ending on June 30, 1956, first meets the requirements of section 6015(a) on January 15, 1956, and the declaration is filed on or before March 15, 1956, the estimated tax shall be paid in 2 equal installments, one at the time of filing of such declaration and the other on or before July 15, 1956.

[T.D. 6500, 25 FR 12139, Nov. 26, 1960]

§ 1.6153-3 Short taxable years.

In the case of a short taxable year of an individual for which a declaration is required to be filed the estimated tax shall be paid in equal installments, one at the time of filing the declaration, one on the 15th day of the 6th month of the taxable year and another on the 15th day of the 9th month of such year unless the short taxable year closed during or prior to such 6th or 9th month, and one on the 15th day of the 1st month of the succeeding taxable year. For example, if the short taxable year is the period of 10 months from January 1, 1955, to October 31, 1955, and the declaration is required to be filed on or before April 15, 1955, the estimated tax is payable in 4 equal installments, one on the date of filing the declaration, and one each on June 15, September 15, and November 15, 1955. If in such case the declaration is required to be filed after April 15 but on or before June 15, the tax will be payable in 3 equal installments, one on the date of filing the declaration, and one each on September 15, and November 15, 1955. The provisions of paragraph (a)(3) of § 1.6153-1, relating to payment of estimated tax in any case in which the declaration is filed after the time prescribed in section 6073 and §§ 1.6073-1 to 1.6073-4, inclusive, are equally applicable to the payment of the estimated tax for short taxable years.

§ 1.6153-4 Extension of time for paying the estimated tax.

An extension of time granted an individual under section 6081 for filing the declaration of estimated tax automatically extends the time for paying the estimated tax (without interest) for the same period. See § 1.6073-4 for rules relating to extensions of time for filing
