In any case in which an individual whose death has occurred after September 12, 1960, and before April 16, 1962, derived earnings from the performance of services as a duly ordained, commissioned, or licensed minister of a church in the exercise of his ministry, as a member of a religious order (other than a member of a religious order who has taken a vow of poverty as a member of such order) in the exercise of duties required by such order, or in the exercise of his profession as a Christian Science practitioner, a waiver certificate on Form 2031 may be filed after June 30, 1961 (the date of enactment of the Social Security Amendments of 1961), and on or before April 16, 1962, by a fiduciary acting for such individual's estate or by such individual's survivor within the meaning of section 205(c)(1)(C) of the Social Security Act. § 1.1402(f)-1 Computation of partner's net earnings from self-employment for taxable year which ends as result of his death.

(a) *Taxable years ending after August 28, 1958—(1) In general.* The rules for the computation of a partner's net earn-

ings from self-employment are set forth in paragraphs (d) to (g), inclusive, of §1.1402(a)-2. In addition to the net earnings from self-employment computed under such rules for the last taxable year of a deceased partner, if a partner's taxable year ends after August 28, 1958, solely because of death, and on a day other than the last day of the partnership's taxable year, the deceased partner's net earnings from self-employment for such year shall also include so much of the deceased partner's distributive share of partnership ordinary income or loss (see subparagraph (3) of this paragraph) for the taxable year of the partnership in which his death occurs as is attributable to an interest in the partnership prior to the month following the month of his death.

(2) *Computation.* (i) The deceased partner's distributive share of partnership ordinary income or loss for the partnership taxable year in which he died shall be determined by applying the rules contained in paragraphs (d) to (g), inclusive, of §1.1402(a)-2, except that paragraph (e) shall not apply.

(ii) The portion of such distributive share to be included under this section in the deceased partner's net earnings from self-employment for his last taxable year shall be determined by treating the ordinary income or loss constituting such distributive share as having been realized or sustained ratably over the period of the partnership taxable year during which the deceased partner had an interest in the partnership and during which his estate, or any other person succeeding by reason of his death to rights with respect to his partnership interest, held such interest in the partnership or held a right with respect to such interest. The amount to be included under this section in the deceased partner's net earnings from self-employment for his last taxable year will, therefore, be determined by multiplying the deceased partner's distributive share of partnership ordinary income or loss for the partnership taxable year in which he died, as determined under subdivision (i) of this subparagraph, by a fraction,
