§ 1.1502-6 Liability for tax.

(a) *Several liability of members of group.* Except as provided in paragraph (b) of this section, the common parent corporation and each subsidiary which was a member of the group during any part of the consolidated return year shall be severally liable for the tax for such year computed in accordance with the regulations under section 1502 prescribed on or before the due date (not including extensions of time) for the filing of the consolidated return for such year.

(b) *Liability of subsidiary after withdrawal.* If a subsidiary has ceased to be a member of the group and in such cessation resulted from a bona fide sale or exchange of its stock for fair value and occurred prior to the date upon which any deficiency is assessed, the Commissioner may, if he believes that the assessment or collection of the balance of the deficiency will not be jeopardized, make assessment and collection of such deficiency from such former subsidiary in an amount not exceeding the portion of such deficiency which the Commissioner may determine to be allocable to it. If the Commissioner makes assessment and collection of any part of a deficiency from such former subsidiary, then for purposes of any credit or refund of the amount collected from such former subsidiary the agency of the common parent under the provisions of § 1.1502-77 shall not apply.

(c) *Effect of intercompany agreements.* No agreement entered into by one or more members of the group with any other member of such group or with any other person shall in any case have the effect of reducing the liability prescribed under this section.

§ 1.1502-9 Consolidated overall foreign losses and separate limitation losses.

(a) *In general.* This section provides rules for applying section 904(f) (including its definitions and nomenclature) to a group and its members. Generally, section 904(f) concerns rules relating to overall foreign losses (OFLs) and separate limitation losses (SLLs) and the consequences of such losses. As provided in section 904(f)(5), losses are computed separately in each category of income described in section 904(d)(1) (basket). Paragraph (b) of this section defines terms and provides computational and accounting rules, including rules regarding recapture. Paragraph (c) of this section provides rules that apply to OFLs and SLLs when a member becomes or ceases to be a member of a group. Paragraph (d) of this section provides a predecessor and successor rule. Paragraph (e) of this section provides effective dates.

(b) *Consolidated application of section 904(f).* A group applies section 904(f) for a consolidated return year in accordance with that section, subject to the following rules:

(1) *Computation of CSLI or CSLL and consolidated U.S. source income or loss.* The group computes its consolidated separate limitation income (CSLI) or consolidated separate limitation loss (CSLL) for each basket under the principles of § 1.1502-11 by aggregating each member's foreign-source taxable income or loss in such basket computed under the principles of § 1.1502-12, and taking into account the foreign portion of the consolidated items described in § 1.1502-11(a)(2) through (8) for such basket. The group computes its consolidated U.S.-source taxable income or loss under similar principles.

(2) *Netting CSLLs, CSLIs, and consolidated U.S. source taxable income or loss.* The group applies section 904(f)(5) to determine the extent to which a CSLL for a basket reduces CSLI for another basket or consolidated U.S.-source taxable income.

(3) *CSLL and COFL accounts.* To the extent provided in section 904(f), the amount by which a CSLL for a basket (the loss basket) reduces CSLI for another basket (the income basket) shall result in the creation of (or addition
