

§ 1.53-1

26 CFR Ch. I (4-1-04 Edition)

provided in section 46(e)(2)(B) and the regulations thereunder. For purposes of computing the ratable share, the reduction of the deduction for wage or salary expenses under § 1.280C-1 shall not be taken into account.

(c) *Cooperatives*—(1) *Taxable years ending after October 31, 1978.* For taxable years ending after October 31, 1978, in the case of a cooperative organization described in section 1381(a), rules similar to rules provided in section 46(h) and the regulations thereunder shall apply in determining the distribution of the amount of the targeted jobs credit (new jobs credit in the case of wages paid before 1979) allowable to the cooperative organization and its patrons under section 44B.

(2) *Taxable years ending before November 1, 1978.* For taxable years ending before November 1, 1978, in the case of a cooperative organization described in section 1381(a), the amount of new jobs credit allowable under section 44B shall be reduced to the cooperative's ratable share of the credit. The ratable share shall be the ratio which the taxable income of the cooperative for the taxable year bears to its taxable income increased by the amount of the deductions allowed under section 1382 (b) and (c). For purposes of computing the ratable share, the reduction of the deduction for wage or salary expenses under § 1.280C-1 shall not be taken into account.

(Secs. 44B, 381, and 7805 of the Internal Revenue Code of 1954 (92 Stat. 2834, 26 U.S.C. 44B); 91 Stat. 148, 26 U.S.C. 381(c)(26); 68A Stat. 917, 26 U.S.C. 7805)

§ 1.53-1 Limitation based on amount of tax.

(a) *General rule*—(1) *Targeted jobs credit.* For taxable years beginning after December 31, 1978, the amount of the targeted jobs credit allowed by section 44B (as amended by the Revenue Act of 1978) shall not exceed 90 percent of the tax imposed by chapter 1, reduced by the credits enumerated in section 53(a).

(2) *New jobs credit.* For taxable years beginning before January 1, 1979, the amount of the new jobs credit allowed by section 44B (as in effect prior to enactment of the Revenue Act of 1978) shall not exceed the tax imposed by

chapter 1, reduced by the credits enumerated in section 53(a).

(b) *Special rule for 1978-79 fiscal year.* In the case of a taxable year beginning before January 1, 1979, and ending after that date, the sum of the targeted jobs credit (determined without regard to the tax liability limitation in paragraph (a)(1) of this section) and the new jobs credit (determined without regard to the tax liability limitation in (a)(2) of this section) shall not exceed the tax imposed by chapter 1, reduced by the credits enumerated in section 53(a).

(Secs. 44B, 381, and 7805 of the Internal Revenue Code of 1954 (92 Stat. 2834, 26 U.S.C. 44B); 91 Stat. 148, 26 U.S.C. 381(c)(26); 68A Stat. 917, 26 U.S.C. 7805)

[T.D. 7921, 48 FR 52906, Nov. 23, 1983]

§ 1.53-2 Carryback and carryover of unused credit.

(a) *Allowance of unused credit as a carryback or carryover*—(1) *In general.* Section 53(b) (formerly designated as section 53(c) for taxable years beginning before 1979) provides for carrybacks and carryovers of unused targeted jobs credit (new jobs credit in the case of wages paid before 1979). An unused credit is the excess of the credit determined under section 51 for the taxable year over the limitation provided by § 1.53-1 for such taxable year. Subject to the limitations contained in paragraph (b) of this section and paragraph (f) of § 1.53-3, an unused credit shall be added to the amount allowable as a credit under section 44B for the years to which an unused credit can be carried. The year with respect to which an unused credit arises shall be referred to in this section as the "unused credit year."

(2) *Taxable years to which unused credit may be carried.* An unused targeted jobs credit (new jobs credit in the case of wages paid before 1979) shall be a new employee credit carryback to each of the 3 taxable years preceding the unused credit year and a new employee credit carryover to each of the 15 taxable years succeeding the unused credit year. An unused credit must be carried first to the earliest of the taxable years to which it may be carried, and then to each of the other taxable years (in order of time) to the extent that the

unused credit may not be added (because of the limitation contained in paragraph (b) of this section) to the amount allowable as a credit under section 44B for a prior taxable year.

(b) *Limitations on allowance of unused credit*—(1) *In general.* The amount of the unused targeted jobs credit (new jobs credit in the case of wages paid before 1979) from any particular unused credit year which may be added under section 53(b)(1) (section 53(c)(1) in the case of a new jobs credit) to the amount allowable as a credit under section 44B for any of the preceding or succeeding taxable years to which such credit may be carried shall not exceed the amount by which the limitation in §1.53-1 for such preceding or succeeding taxable year exceeds the sum of (i) the credit allowable under section 44B for such preceding or succeeding taxable year, and (ii) other unused credits carried to such preceding or succeeding taxable year which are attributable to unused credit years prior to the particular unused credit year. Thus, in determining the amount, if any, of an unused credit from a particular unused credit year which shall be added to the amount allowable as a credit for any preceding or succeeding taxable year, the credit earned for such preceding or succeeding taxable year, plus any unused credits originating in taxable years prior to the particular unused credit year, shall first be applied against the limitation based on amount of tax for such preceding or succeeding taxable year. To the extent the limitation based on amount of tax for the preceding or succeeding year exceeds the sum of the credit earned for such year and other unused credits attributable to years prior to the particular unused credit year, the unused credit from the particular unused credit year shall be added to the amount allowable as a credit under section 44B for such preceding or succeeding year. If any portion of the unused credit is a carryback to a taxable year beginning before January 1, 1977, section 44B shall be deemed to have been in effect for such taxable year for purposes of allowing such carryback as a credit under section 44B. To the extent that an unused credit cannot be added for a particular preceding or succeeding taxable year

because of the limitation contained in this paragraph, such unused credit shall be available as a carryback or carryover to the next succeeding taxable year to which it may be carried.

(2) *Special rules for an electing small business corporation.* An unused targeted jobs credit (new jobs credit in the case of wages paid before 1979) under section 44B of a corporation which arises in an unused credit year for which the corporation is not an electing small business corporation (as defined in section 1371(b)) and which is a carryback or carryover to a taxable year for which the corporation is an electing small business corporation shall not be added to the amount allowable as a credit under section 44B to the shareholders of such corporation for any taxable year. However, a taxable year for which the corporation is an electing small business corporation shall be counted as a taxable year for purposes of determining the taxable years to which such unused credit may be carried.

(3) *Corporate acquisitions.* For the carryover of unused credits under section 44B in the case of certain corporate acquisitions, see section 381(c)(26) and §1.381(c)(26)-1.

(4) *Examples.* This paragraph may be illustrated by the following examples.

Example 1. In 1978, A, a calendar year taxpayer, had an unused new jobs credit of \$2,000. In 1979, A has a targeted jobs credit of \$2,000 and a tax liability imposed by chapter 1 of the Code of \$4,000 after all credits listed in section 53(a) have been taken into account. The amount of A's targeted jobs credit allowable under section 44B for 1979 is 90 percent of A's tax liability. The amount of the new jobs credit that may be carried to 1979 is limited to \$1,600 (\$3,600 [90% of \$4,000] - \$2,000).

Example 2. In 1979, B, a calendar year taxpayer, has a tax liability imposed by chapter 1 of the Code of \$10,000 after all credits listed in section 53(a) have been taken. B's targeted jobs credit for that taxable year is limited to 90 percent of his income tax liability or \$9,000. B had a \$15,000 targeted jobs credit in 1979 resulting in an unused targeted jobs credit of \$5,000 for that year. In 1976 and 1977 B had tax liabilities imposed by chapter 1 of the Code of \$3,000 and \$4,000 respectively after all credits listed in section 53(a) had been taken. For purposes of carrying back an unused targeted jobs credit to a taxable year beginning before January 1, 1977, section 44B as amended by the Revenue Act of 1978 is

deemed to have been in effect for such taxable year. Accordingly, the applicable tax liability limitation for 1976 would be governed by section 53(a) (as amended by the Revenue Act of 1978) which limits the amount of targeted jobs credit allowed to 90 percent of the tax imposed by chapter 1 of the Code after all credits listed in section 53(a) have been taken. B may carry back \$2,700 (90% of \$3,000) of the 1979 unused targeted jobs credit to 1976. B may carry back \$4,000 of the unused targeted jobs credit to 1977 because section 53(a) as it applied to the 1977 taxable year limited the amount of the credit to 100 percent of the taxpayer's tax liability imposed by chapter 1 of the Code after all credits listed in section 53(a) had been taken.

(Secs. 44B, 381, and 7805 of the Internal Revenue Code of 1954 (92 Stat. 2834, 26 U.S.C. 44B); 91 Stat. 148, 26 U.S.C. 381(c)(26); 68A Stat. 917, 26 U.S.C. 7805)

[T.D. 7921, 48 FR 52906, Nov. 23, 1983]

§ 1.53-3 Separate rule for pass-through of jobs credit.

(a) *In general.* Under section 53(b), in the case of a new jobs credit or targeted jobs credit earned under section 44B by a partnership, estate or trust, or subchapter S corporation, the amount of the credit that may be taken into account by a partner, beneficiary, or shareholder may not exceed a limitation under section 53(b) separately computed with respect to the partner's, beneficiary's, or shareholder's interest in the entity. A credit is subject to the limitation of section 53(b) with respect to a partner, beneficiary, or shareholder if it is earned by a partnership, estate or trust, or subchapter S corporation in a taxable year ending within, or ending before, a taxable year beginning before January 1, 1979 of the partner, beneficiary, or shareholder. See paragraph (f) of this section for rules on carryback or carryover of a credit subject to separate limitation. This section prescribes rules, under the authority of section 44B(b), relating to the computation of the separate limitation. For purposes of this section, references to section 53(a) and (b) are to that section as it existed before it was amended by the Revenue Act of 1978. This paragraph may be illustrated by the following examples:

Example 1. A, a calendar year taxpayer, is a partner in P, a calendar year partnership. A's pro rata portion of the credit earned by P in 1978 is \$200. The \$200 credit to be claimed

on A's 1978 return is subject to the separate limitation in section 53(b) because the limitation applies to taxable years of the taxpayer beginning before January 1, 1979.

Example 2. B, a calendar year taxpayer, is a shareholder in Corporation M, a subchapter S corporation with a July to June fiscal year. B's pro rata portion of the credit earned by Corporation M in its taxable year beginning in 1978 is \$100. The \$100 credit to be claimed on B's 1979 return is not subject to the separate limitation requirement of section 53(b) because the limitation only applies to taxable years of the taxpayer beginning before 1979, notwithstanding the credit was earned by Corporation M before 1979.

(b) *Application of credit earned.* A credit earned under section 44B by a partnership, estate or trust, or subchapter S corporation shall be applied by a partner, beneficiary, or shareholder, to the extent allowed under section 53(b), before applying any other credit earned under section 44B. For example, if an individual has a new jobs credit from a proprietorship of \$2,000 and from a partnership (after applying section 53(b)) of \$1,800, but the credit must be limited under section 53(a) to \$3,000, the entire \$1,800 credit from the partnership would be applied before any part of the \$2,000 amount is applied.

(c) *Amount of separate limitation.* The amount of the separate limitation is equal to the partner's, beneficiary's, or shareholder's limitation under section 53(a) for the taxable year multiplied by a fraction. The numerator of the fraction is the portion of the taxpayer's taxable income for the year attributable to the taxpayer's interest in the entity. The denominator of the fraction is the taxpayer's total taxable income for the year reduced by the zero bracket amount, if any.

(d) *Portion of taxable income attributable to an interest in a partnership, estate or trust, or subchapter S corporation—(1) General rule.* The portion of a taxpayer's taxable income attributable to an interest in a partnership, estate or trust, or subchapter S corporation is the amount of income from that entity the taxpayer is required to include in gross income, reduced by—

(i) The amount of the deductions allowed to the taxpayer that are attributable to the taxpayer's interest in the entity; and
