

§ 1.507-8

(c) *Fair market value.* For purposes of this section, fair market value shall be determined pursuant to the provisions of § 53.4942(a)-2(c)(4) of this chapter.

(d) *Net assets.* For purposes of section 507 and the regulations thereunder, the term *net assets* shall mean the gross assets of a private foundation reduced by all liabilities of the foundation, including appropriate estimated and contingent liabilities. Thus, a determination of net assets may reflect reductions for any liability or contingent liability for tax imposed upon the private foundation under chapter 42 with respect to acts or failures to act prior to termination, for any liability or contingent liability for failures to correct such acts or failures to act, or for any liability or estimated or contingent liability with respect to expenses associated with winding up the organization. If a private foundation's determination of net assets reflects any reduction for any estimated or contingent liability, such private foundation must establish, to the satisfaction of the Commissioner, the reasonableness of such reduction. If the amount of net assets reflects a reduction for any estimated or contingent liability, at the earlier of the final determination of the contingency or the termination of a reasonable time, any excess of the amount by which the gross assets was reduced over the amount of the liability shall be treated in the same manner as if such excess had been considered part of the net assets.

§ 1.507-8 Liability in case of transfers.

For purposes of determining liability for the tax imposed under section 507(c) in the case of assets transferred by the private foundation, such tax shall be deemed to have been imposed on the first day on which action is taken by the organization which culminates in its ceasing to be a private foundation. If an organization's private foundation status is terminated under section 507(a)(2), the first day on which action is taken which culminates in its ceasing to be a private foundation (within the meaning of section 507(f)) shall be the date described in § 1.507-7(b)(2). If an organization terminates its private foundation status under section

§ 1.507-9 Abatement of taxes.

(a) *General rule.* The Commissioner may at his discretion abate the unpaid portion of the assessment of any tax imposed by section 507(c), or any liability in respect thereof, if:

(1) The private foundation distributes all of its net assets to one or more organizations described in section 170(b)(1)(A) (other than in clauses (vii) or (viii)) each of which has been in existence and so described for a continuous period of at least 60 calendar months, or

(2) Effective assurance is given to the Commissioner in accordance with paragraphs (b) and (c) of this section that the assets of the organization which are dedicated to charitable purposes will, in fact, be used for charitable purposes.

The provisions of § 1.507-2(a) (2), (3), and (7) shall apply to distributions under subparagraph (1) of this paragraph. Since section 507(g) provides only for the abatement of tax imposed under section 507(c), no tax imposed under any provision of chapter 42 shall be abated under section 507(g). Where the taxpayer files a petition with the Tax Court with respect to a notice of deficiency regarding any tax under section 507(c), such tax shall be treated as having been assessed for the purposes of abatement of such tax under section 507(g) and the regulations thereunder.

(b) *State proceedings.* (1) The Commissioner may at his discretion abate the unpaid portion of the assessment of any tax imposed by section 507(c), or any liability in respect thereof, under the procedures outlined in subparagraphs (2) and (3) of this paragraph. Such tax may not be abated by the Commissioner unless he determines that corrective action as defined in paragraph (c) of this section has been taken. The Commissioner may not abate by reason of section 507(g) any amount of such tax which has already
