

(o) *Effective date.* This section applies to transfers of property made by a taxpayer on or after June 10, 1991. However, a transfer of property made by a taxpayer on or after May 16, 1990, but before June 10, 1991, will be treated as complying with section 1031 (a)(3) and this section if the deferred exchange satisfies either the provision of this section or the provisions of the notice of proposed rulemaking published in the FEDERAL REGISTER on May 16, 1990 (55 FR 20278).

[T.D. 8346, 56 FR 19938, May 1, 1991, as amended by T.D. 8535, 59 FR 18749, Apr. 20, 1994; T.D. 8982, 67 FR 4909, Feb. 1, 2002]

§ 1.1032-1 Disposition by a corporation of its own capital stock.

(a) The disposition by a corporation of shares of its own stock (including treasury stock) for money or other property does not give rise to taxable gain or deductible loss to the corporation regardless of the nature of the transaction or the facts and circumstances involved. For example, the receipt by a corporation of the subscription price of shares of its stock upon their original issuance gives rise to neither taxable gain nor deductible loss, whether the subscription or issue price be equal to, in excess of, or less than, the par or stated value of such stock. Also, the exchange or sale by a corporation of its own shares for money or other property does not result in taxable gain or deductible loss, even though the corporation deals in such shares as it might in the shares of another corporation. A transfer by a corporation of shares of its own stock (including treasury stock) as compensation for services is considered, for purposes of section 1032(a), as a disposition by the corporation of such shares for money or other property.

(b) Section 1032(a) does not apply to the acquisition by a corporation of shares of its own stock except where the corporation acquires such shares in exchange for shares of its own stock (including treasury stock). See paragraph (e) of § 1.311-1, relating to treatment of acquisitions of a corporation's own stock. Section 1032(a) also does not relate to the tax treatment of the recipient of a corporation's stock.

(c) Where a corporation acquires shares of its own stock in exchange for shares of its own stock (including treasury stock) the transaction may qualify not only under section 1032(a), but also under section 368(a)(1)(E) (re-capitalization) or section 305(a) (distribution of stock and stock rights).

(d) For basis of property acquired by a corporation in connection with a transaction to which section 351 applies or in connection with a reorganization, see section 362. For basis of property acquired by a corporation in a transaction to which section 1032 applies but which does not qualify under any other nonrecognition provision, see section 1012.

§ 1.1032-2 Disposition by a corporation of stock of a controlling corporation in certain triangular reorganizations.

(a) *Scope.* This section provides rules for certain triangular reorganizations described in § 1.358-6(b) when the acquiring corporation (*S*) acquires property or stock of another corporation (*T*) in exchange for stock of the corporation (*P*) in control of *S*.

(b) *General nonrecognition of gain or loss.* For purposes of § 1.1032-1(a), in the case of a forward triangular merger, a triangular C reorganization, or a triangular B reorganization (as described in § 1.358-6(b)), *P* stock provided by *P* to *S*, or directly to *T* or *T*'s shareholders on behalf of *S*, pursuant to the plan of reorganization is treated as a disposition by *P* of shares of its own stock for *T*'s assets or stock, as applicable. For rules governing the use of *P* stock in a reverse triangular merger, see section 361.

(c) *Treatment of S.* *S* must recognize gain or loss on its exchange of *P* stock as consideration in a forward triangular merger, a triangular C reorganization, or a triangular B reorganization (as described in § 1.358-6(b)), if *S* did not receive the *P* stock from *P* pursuant to the plan of reorganization. See § 1.358-6(d) for the effect on *P*'s basis in its *S* or *T* stock, as applicable. For rules governing *S*'s use of *P* stock in a reverse triangular merger, see section 361.
