

(o) *Effective date.* This section applies to transfers of property made by a taxpayer on or after June 10, 1991. However, a transfer of property made by a taxpayer on or after May 16, 1990, but before June 10, 1991, will be treated as complying with section 1031 (a)(3) and this section if the deferred exchange satisfies either the provision of this section or the provisions of the notice of proposed rulemaking published in the FEDERAL REGISTER on May 16, 1990 (55 FR 20278).

[T.D. 8346, 56 FR 19938, May 1, 1991, as amended by T.D. 8535, 59 FR 18749, Apr. 20, 1994; T.D. 8982, 67 FR 4909, Feb. 1, 2002]

**§ 1.1032-1 Disposition by a corporation of its own capital stock.**

(a) The disposition by a corporation of shares of its own stock (including treasury stock) for money or other property does not give rise to taxable gain or deductible loss to the corporation regardless of the nature of the transaction or the facts and circumstances involved. For example, the receipt by a corporation of the subscription price of shares of its stock upon their original issuance gives rise to neither taxable gain nor deductible loss, whether the subscription or issue price be equal to, in excess of, or less than, the par or stated value of such stock. Also, the exchange or sale by a corporation of its own shares for money or other property does not result in taxable gain or deductible loss, even though the corporation deals in such shares as it might in the shares of another corporation. A transfer by a corporation of shares of its own stock (including treasury stock) as compensation for services is considered, for purposes of section 1032(a), as a disposition by the corporation of such shares for money or other property.

(b) Section 1032(a) does not apply to the acquisition by a corporation of shares of its own stock except where the corporation acquires such shares in exchange for shares of its own stock (including treasury stock). See paragraph (e) of § 1.311-1, relating to treatment of acquisitions of a corporation's own stock. Section 1032(a) also does not relate to the tax treatment of the recipient of a corporation's stock.

(c) Where a corporation acquires shares of its own stock in exchange for shares of its own stock (including treasury stock) the transaction may qualify not only under section 1032(a), but also under section 368(a)(1)(E) (re-capitalization) or section 305(a) (distribution of stock and stock rights).

(d) For basis of property acquired by a corporation in connection with a transaction to which section 351 applies or in connection with a reorganization, see section 362. For basis of property acquired by a corporation in a transaction to which section 1032 applies but which does not qualify under any other nonrecognition provision, see section 1012.

**§ 1.1032-2 Disposition by a corporation of stock of a controlling corporation in certain triangular reorganizations.**

(a) *Scope.* This section provides rules for certain triangular reorganizations described in § 1.358-6(b) when the acquiring corporation (*S*) acquires property or stock of another corporation (*T*) in exchange for stock of the corporation (*P*) in control of *S*.

(b) *General nonrecognition of gain or loss.* For purposes of § 1.1032-1(a), in the case of a forward triangular merger, a triangular C reorganization, or a triangular B reorganization (as described in § 1.358-6(b)), *P* stock provided by *P* to *S*, or directly to *T* or *T*'s shareholders on behalf of *S*, pursuant to the plan of reorganization is treated as a disposition by *P* of shares of its own stock for *T*'s assets or stock, as applicable. For rules governing the use of *P* stock in a reverse triangular merger, see section 361.

(c) *Treatment of S.* *S* must recognize gain or loss on its exchange of *P* stock as consideration in a forward triangular merger, a triangular C reorganization, or a triangular B reorganization (as described in § 1.358-6(b)), if *S* did not receive the *P* stock from *P* pursuant to the plan of reorganization. See § 1.358-6(d) for the effect on *P*'s basis in its *S* or *T* stock, as applicable. For rules governing *S*'s use of *P* stock in a reverse triangular merger, see section 361.

(d) *Examples.* The rules of this section are illustrated by the following examples. For purposes of these examples, *P*, *S*, and *T* are domestic corporations, *P* and *S* do not file consolidated returns, *P* owns all of the only class of *S* stock, the *P* stock exchanged in the transaction satisfies the requirements of the applicable reorganization provisions, and the facts set forth the only corporate activity.

*Example 1. Forward triangular merger solely for P stock.* (a) *Facts.* *T* has assets with an aggregate basis of \$60 and fair market value of \$100 and no liabilities. Pursuant to a plan, *P* forms *S* by transferring \$100 of *P* stock to *S* and *T* merges into *S*. In the merger, the *T* shareholders receive, in exchange for their *T* stock, the *P* stock that *P* transferred to *S*. The transaction is a reorganization to which sections 368(a)(1)(A) and (a)(2)(D) apply.

(b) *No gain or loss recognized on the use of P stock.* Under paragraph (b) of this section, the *P* stock provided by *P* pursuant to the plan of reorganization is treated for purposes of § 1.1032-1(a) as disposed of by *P* for the *T* assets acquired by *S* in the merger. Consequently, neither *P* nor *S* has taxable gain or deductible loss on the exchange.

*Example 2. Forward triangular merger solely for P stock provided in part by S.* (a) *Facts.* *T* has assets with an aggregate basis of \$60 and fair market value of \$100 and no liabilities. *S* is an operating company with substantial assets that has been in existence for several years. *S* also owns *P* stock with a \$20 adjusted basis and \$30 fair market value. *S* acquired the *P* stock in an unrelated transaction several years before the reorganization. Pursuant to a plan, *P* transfers additional *P* stock worth \$70 to *S* and *T* merges into *S*. In the merger, the *T* shareholders receive \$100 of *P* stock (\$70 of *P* stock provided by *P* to *S* as part of the plan and \$30 of *P* stock held by *S* previously). The transaction is a reorganization to which sections 368(a)(1)(A) and (a)(2)(D) apply.

(b) *Gain or loss recognized by S on the use of its P stock.* Under paragraph (b) of this section, the \$70 of *P* stock provided by *P* pursuant to the plan of reorganization is treated as disposed of by *P* for the *T* assets acquired by *S* in the merger. Consequently, neither *P* nor *S* has taxable gain or deductible loss on the exchange of those shares. Under paragraph (c) of this section, however, *S* recognizes \$10 of gain on the exchange of its *P* stock in the reorganization because *S* did not receive the *P* stock from *P* pursuant to the plan of reorganization. See § 1.358-6(d) for the effect on *P*'s basis in its *S* stock.

(e) *Stock options.* The rules of this section shall apply to an option to buy or sell *P* stock issued by *P* in the same

manner as the rules of this section apply to *P* stock.

(f) *Effective dates.* This section applies to triangular reorganizations occurring on or after December 23, 1994, except for paragraph (e) of this section, which applies to transfers of stock options occurring on or after May 16, 2000.

[T.D. 8648, 60 FR 66081, Dec. 21, 1995, as amended by T.D. 8883, 65 FR 31076, May 16, 2000]

**§ 1.1032-3 Disposition of stock or stock options in certain transactions not qualifying under any other non-recognition provision.**

(a) *Scope.* This section provides rules for certain transactions in which a corporation or a partnership (the acquiring entity) acquires money or other property (as defined in § 1.1032-1) in exchange, in whole or in part, for stock of a corporation (the issuing corporation).

(b) *Nonrecognition of gain or loss—(1) General rule.* In a transaction to which this section applies, no gain or loss is recognized on the disposition of the issuing corporation's stock by the acquiring entity. The transaction is treated as if, immediately before the acquiring entity disposes of the stock of the issuing corporation, the acquiring entity purchased the issuing corporation's stock from the issuing corporation for fair market value with cash contributed to the acquiring entity by the issuing corporation (or, if necessary, through intermediate corporations or partnerships). For rules that may apply in determining the issuing corporation's adjustment to basis in the acquiring entity (or, if necessary, in determining the adjustment to basis in intermediate entities), see sections 358, 722, and the regulations thereunder.

(2) *Special rule for actual payment for stock of the issuing corporation.* If the issuing corporation receives money or other property in payment for its stock, the amount of cash deemed contributed under paragraph (b)(1) of this section is the difference between the fair market value of the issuing corporation stock and the amount of money or the fair market value of other property that the issuing corporation receives as payment.
