LIST OF U.S. SUPPLIERS OF THE OFFICIAL USAID EMBLEM AND EMBLEM IMPRINTED BAGS

The following firms have indicated that they stock the USAID emblem in one form or another or will produce it to order. The inclusion of these names on this list should in no way be interpreted as USAID endorsement of the firms or their products. The list is not to be regarded as restrictive in any way since obviously similar items can be produced by additional firms, which are not known to this agency. The names of such firms will, upon request, be added to subsequent lists. Commodity suppliers are responsible for obtaining and using emblems as visible and durable as the trademark or company brand name affixed by the producer of the commodity.
