

# Devils Postpile General Management Plan

<http://parkplanning.nps.gov/depo>

Dear Friends,

I'm pleased to announce that Devils Postpile National Monument will soon be developing a General Management Plan (GMP). As we approach the park's centennial year in 2011, the GMP is an opportunity for you to help create a vision for the future of Devils Postpile National Monument. It identifies the long-term future desired conditions for the monument and guides park managers as they decide how to best protect monument resources, provide for high quality visitor experiences, and manage visitation. We look forward to your participation in this exciting process.

Sincerely,  
Deanna Dulen  
Park Superintendent

## Join us in planning for the future

We would like to keep you informed during the GMP process and to provide opportunities for your participation. Please use this card to add your name to our mailing list.

### 1. Email

There are two ways to sign up for the email list. First, you can visit [www.nps.gov/depo](http://www.nps.gov/depo) and sign up online or you can write your email in the space below.

email: \_\_\_\_\_

### 2. Regular Mail

If you would like to receive printed materials, please print your mailing address in the return address space on the other side of this card.

**When you are finished, simply mail this card or leave it at the Devils Postpile ranger station.**
