21	0400CST 1030CST				0	0	0	0	Ice Storm
----	--------------------	--	--	--	---	---	---	---	------------------

A light mixture of rain, freezing rain, sleet, and snow flurries fell across northern Alabama. Numerous trees across the area picked up a coating of ice, but it melted away by late morning. No significant accumulations were reported. Roadways became briefly slick in the early morning hours, but no significant icing problems occurred and no weather related accidents were reported.

ALZ006

Madison	31	2359CST			0	0	0	0	Excessive Heat
----------------	----	---------	--	--	---	---	---	---	-----------------------
