Covington County

Florala	07	1815CST			1	0			Lightning
----------------	-----------	----------------	--	--	----------	----------	--	--	------------------

A 71 year old male was standing in a carport during a thunderstorm. Lightning struck a tree near the carport and then the bolt hit the man in the chest while he was standing underneath the metal carport. The male was not found for a couple of hours and was already dead when help arrived.

M71OT

Mobile County

Spring Hill	13	1915CST 1917CST			0	0	15K		Thunderstorm Wind (EG50)
--------------------	-----------	----------------------------	--	--	----------	----------	------------	--	---------------------------------

High winds from a thunderstorm blew down several trees in the Spring Hill area. One of the trees damaged a car that was parked in the area.

Monroe County

Frisco City	15	1725CST 1727CST			0	0			Hail(0.75)
--------------------	-----------	----------------------------	--	--	----------	----------	--	--	-------------------

Monroe County

West Portion	15	1730CST 1900CST			0	0			Flash Flood
---------------------	-----------	----------------------------	--	--	----------	----------	--	--	--------------------

Heavy rains from slow moving thunderstorms caused several roads in the west part of the county to flood and become impassable. The roads were reopened after the water had drained from them. Local Weather Service radars estimated rainfall totals of seven to nine inches in a three hour period across the west part of the county.
