I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.f and 2.g: The last four digits of your Social Security number OR your New Hampshire Driver's License number is required for voter registration. If you do not possess either of these identifications, the state shall assign a number that will serve to identify you for voter registration purposes.
- Block 3.a through 3.e: Provide the complete street address of your New Hampshire voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway ______, 2 miles past Highway ______, across the street from the ______ gas station." This address must be different from the one provided in Block 4 and must be within the county or township where you claim legal voting residence.
- **©** Block 4.a: Print the complete address where you want your ballot sent usually your current mailing address. Your current mailing address must be different from the address you provided in Block 3.
- **Block 4.c:** This form acts as a request for a mailed absentee ballot only. New Hampshire does not allow you to receive or return the absentee ballot electronically. See Section II.D. or III.D.
- Block 5: If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Block 5 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently registered and want to change your political party affiliation or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party choice to be received by the local election official not later than 10 days before the election.
- Block 6: Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Refer to Section II.E. and III.E. for additional instructions.

G Block 7: You must sign and date the FPCA. When signing, you are swearing or affirming the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of New Hampshire and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administrations.

- members of the U.S. Armed Forces or merchant marine and their accompanying spouses and dependents
- civilian employees of the U.S. Government outside the U.S. and their accompanying spouses and dependents
- members of religious or welfare groups attached to and serving with the Armed Forces outside the U.S. and their accompanying spouses and dependents

A. Registering and Requesting an Absentee Ballot

New Hampshire waives your registration.

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

To request an absentee ballot, the local city or town clerk must receive your FPCA at any time before the election. You may fax the FPCA, but remember to allow for sufficient mail transit time of the blank absentee ballot and the voted absentee ballot. If your blank ballot does not reach you in time, you may use the FWAB (see instructions in Chapter Two) or the State Special Write-In Absentee Ballot (see section II.E)

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local elections office by **5 p.m. on election day.**

Local election officials mail ballots approximately 30 days before the election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

D. Electronic Transmission of FPCAs and Ballots

- New Hampshire allows you to send the FPCA for both registration and requests for absentee ballots by fax.
- New Hampshire does not allow you to receive the blank ballot by fax.
- New Hampshire does not allow you to return the voted ballot by fax.

E. Special Write-In Absentee Ballot

New Hampshire provides a state special write-in absentee ballot if you are unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in isolated areas outside the U.S. and Canada.

Use an FPCA to request this state special write-in ballot. In **Block 6 of the FPCA** write: "I am unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in isolated areas outside the United States and Canada. I request a special write-in absentee ballot."

The special write-in ballot is available for the state primary no later than July 15. The special write-in ballot is available for the general election not later than the date of the state primary. Vote this ballot by writing in a party preference or the names of specific candidates.

F. Bars to Registration and Voting

Persons convicted of a felony may not register or vote until they have completed their sentences.

G. Cancellation of Registration

If you have not voted since 1999, or if you have a question about the validity of your registration, request an application for addition to the checklist as provided in Section III.A above.

H. Action on Registration Requests

Notice is sent only if a request is denied.

I. Action If Registration Is Denied

Upon denial of your voter registration application or absentee ballot request, New Hampshire shall provide you with the reason(s) for the rejection. Persons denied registration may file a complaint in superior court. Consult a legal assistance officer or civilian counsel.

J. Same Day Registration

New Hampshire citizens who are in the state on the day of the election may register to vote at the polling place. They will be required to produce proof of qualifications. They will then be allowed to vote at that election and be registered to vote at subsequent elections.

III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of New Hampshire or Federal overseas voters. The term "Federal overseas voter" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in New Hampshire.

- New Hampshire residents temporarily residing outside the U.S. (for local, state and Federal office ballots)
- Federal overseas voters (for Federal office ballots only)

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

If you are an unregistered Federal overseas voter, the local registrar of voters must receive your FPCA request for registration and an absentee ballot at anytime prior to election day. You may fax the FPCA, but remember to allow for sufficient mail transit time of the blank absentee ballot and the voted absentee ballot. If your blank ballot does not reach you in time, you may use the FWAB (see instructions in Chapter Two) or the State Special Write-In Absentee Ballot (see section III.E)

Remember to allow for sufficient mail transit time. Your name will be added to the registered voter checklist when the registrar of voters receives the affidavit accompanying the absentee ballot.

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local elections office by **5 p.m. on election day.**

Local election officials mail ballots approximately 30 days before the election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

C. Notary/Witness Requirements

FPCA: If you are an unregistered New Hampshire resident temporarily residing outside the U.S., the FPCA is used to request a state registration form.

Returning a Ballot: No notary or witness required.

D. Electronic Transmission of FPCAs and Ballots

- New Hampshire allows you to send the FPCA for both registration and requests for absentee ballots by fax.
- New Hampshire does not allow you to receive the blank ballot by fax.
- New Hampshire does not allow you to return the voted ballot by fax

E. Special Write-In Absentee Ballot

New Hampshire provides a state special write-in absentee ballot for Federal overseas voters who are unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in isolated areas outside the U.S. and Canada.

Use an FPCA to request this state special write-in ballot. In **Block 6 of the FPCA** write: "I am unable to vote by regular absentee ballot or in person due to requirements of military

service or due to living in isolated areas outside the United States and Canada. I request a special write-in absentee ballot."

The special write-in ballot is available for the state primary no later than July 15. The special write-in ballot is available for the general election not later than the date of the state primary. Vote this ballot by writing in a party preference or the names of specific candidates.

F. Bars to Registration and Voting

Persons convicted of a felony may not register or vote until they have completed their sentences.

G. Cancellation of Registration

If you have not voted since 1999, or if you have a question about the validity of your registration, request an application for addition to the checklist as provided in Section III.A above.

H. Action on Registration Requests

Notice is sent only if a request is denied.

I. Action If Registration Is Denied

Upon denial of your voter registration application or absentee ballot request, New Hampshire shall provide you with the reason(s) for the rejection. Persons denied registration may file a complaint in superior court. Consult a legal assistance officer or civilian counsel.

J. Same Day Registration

New Hampshire citizens who are in the state on the day of the election may register to vote at the polling place. They will be required to produce proof of qualifications. They will then be allowed to vote at that election and be registered to vote at subsequent elections.

IV. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.
