Corrections and Updating to Certain Regulations of the Office of Government Ethics

AGENCY: Office of Government Ethics (OGE).

ACTION: Final rule; technical amendments.

SUMMARY: The Office of Government Ethics is correcting and updating some of the sections of its executive branch regulations on financial disclosure, standards of ethical conduct and outside employment limitations.

EFFECTIVE DATE: January 14, 1999.

FOR FURTHER INFORMATION CONTACT: William E. Gressman, Senior Associate General Counsel, Office of Government Ethics, telephone: 202-208-8000, ext. 1110; TDD: 202-208-8025; FAX: 202-208-8037.

SUPPLEMENTARY INFORMATION:

The Office of Government Ethics is amending a few sections of its executive branch ethics regulations on financial disclosure, standards of ethical conduct (the Standards), and outside employment and affiliations, as codified at 5 CFR parts 2634, 2635 and 2636. These technical amendments correct a couple of typographical errors and make some minor updates.

The updates include a revised citation in 5 CFR 2635.203 of the Standards regulation to the new travel promotional materials and frequent traveler programs regulation of the General Services Administration (now codified at 41 CFR part 301-53). In addition, OGE is adding the citation to the Foreign Agents Registration Act, as codified at 22 U.S.C. 611 through 621, to paragraph (q) of § 2635.902 of the Standards, which

references related statutes. The Office of Government Ethics is also making a minor revision to the first part of the citation in paragraph (o) of that section of the Standards to the political activities restrictions in order to specify the particular sections of 5 U.S.C. concerned (sections 7321 through 7326). Furthermore, OGE is amending the citation in paragraph (z) of § 2635.902 to one of the statutory prohibitions against disclosure of classified information, now found at 50 U.S.C. 783(a) as redesignated and somewhat revised.

In addition, OGE is updating references in the definition of "covered noncareer employee" in 5 CFR 2636.303(a) and Example 1 thereto to positions "above GS-15" in the General Schedule (or non-General Schedule positions for which the rate of basic pay is equal to or greater than 120 percent of the minimum rate of basic pay payable for GS-15 of the General Schedule). In accordance with section 4(b) of Pub. L. No. 102-378, which amended title V of the Ethics in Government Act of 1978 (the Ethics Act), at 5 U.S.C. appendix, title V, and consistent with section 101 (c) and (d) of the Federal Employees Pay Comparability Act of 1990, section 529 of Pub. L. No. 101-509, at 5 U.S.C. 5376 note, these references replace the old references to the now superseded "GS-16, step 1" General Schedule positions as the threshold rate of basic pay for the application to certain noncareer employees of the limitations on outside earned income, employment and affiliations under title V of the Ethics Act. Finally, OGE is removing from 5 CFR 2636.304(a)(4) an out-of-date reference to a prior Office of Personnel Management regulation formerly codified at 5 CFR 305.601.

Matters of Regulatory Procedure

Administrative Procedure Act

Pursuant to 5 U.S.C. 553 (b) and (d), as Director of the Office of Government Ethics, I find good cause exists for waiving the general notice of proposed rulemaking, opportunity for public comment and 30-day delay in effectiveness as to these minor corrections and updates. The notice, comment and delayed effective date provisions are being waived in part because these minor amendments concern matters of agency organization, practice and procedure. Further, it is in

the public interest that correct and up-to-date information be contained in the affected sections of OGE's regulations as soon as possible.

Executive Order 12866

In promulgating these minor amendments, OGE has adhered to the regulatory philosophy and the applicable principles of regulation set forth in section 1 of Executive Order 12866, Regulatory Planning and Review. These amendments have not been reviewed by the Office of Management and Budget under that Executive order, since they are not deemed "significant" thereunder.

Regulatory Flexibility Act

As Director of the Office of Government Ethics, I certify under the Regulatory Flexibility Act (5 U.S.C. chapter 6) that this rulemaking will not have a significant economic impact on a substantial number of small entities.

Paperwork Reduction Act

The Paperwork Reduction Act (44 U.S.C. chapter 35) does not apply because this amendatory rulemaking does not contain information collection requirements that require the approval of the Office of Management and Budget.
