Area 1 = From ICW marker 60 & Government Cut south to ICW marker 19; Area 2 = Mid- section of Mosquito Lagoon between ICW marker 19 & Haulover Canal (excluding pole troll zones), **Area 3 = FWS Pole troll zones**; Area 4 = Mosquito Lagoon south of Haulover Canal; Area 5 = Indian River portion of Merritt Island National Wildlife Refuge.

Harvest data is needed to manage sustainable aquatic populations. Your cooperation is greatly appreciated. Please record hours fished in each area even if no fish were caught. Record number of people fishing/harvesting including guides or assistants that are actively fishing. Submit your monthly log to: Canaveral National Seashore, 212 S. Washington Ave., Titusville, FL. 32796
