Dear Permit Holder:

Enclosed please find a revised Catch Log and Zone Map for Canaveral National Seashore and Merritt Island National Wildlife Refuge. These revisions were made based on suggestions from a number of different permit holders. Please note the zones have been modified to simplify identification of catch zones. Use the revised catch log and map for future submissions rather than the previous logs and maps. If you have questions, please do not hesitate to call us at 321-267-1110.

For those of you who wish to submit your catch logs electronically, the form can be found on the park's website, www.nps.gov/cana, and e-mailed to cana_catchlog@nps.gov.

Thank you for your assistance.
