

Special Park Use Permits ~ Weddings

In most cases, Canaveral National Seashore can accommodate smaller wedding groups with a permit, which do not exceed 20 participants, and which will require no more than 15 parking spaces.

Both our south and north districts have a designated location which is most suitable for holding small wedding ceremonies. These locations were selected based on parking availability, ease of beach access, and in order to minimize interference to other park visitors who are not event participants.

Exceptions to the above guidelines will be considered on a case-by-case basis, and require special approval by the Supervisory District Ranger and Chief Ranger.

Designated Wedding Event Locations

Apollo Beach (north district) Beach access parking area # 1
Playalinda Beach (south district) Eddy Creek beach access area

All Special Park Use permit applicants must include a \$50.00 processing fee with your application. Personal checks or money orders are accepted, and should be made payable to "National Park Service." Additional cost recovery fees may be required, based on the complexity of your event, or the need for special park staff services.

As a general rule, permit refunds will not be issued for event cancellations, inclement weather, or park closures mandated by publicized shuttle operations.

Our permit coordinator may be reached at (321) 267-1110.
