

MEMORANDUM

October 27, 2008

To: National Housing Officers

From: Quarters Rental Program Manager 

Subject: March 2009 Consumer Price Index (CPI) Adjustments

I am enclosing new data sheets for use in applying the 2009 Consumer Price Index (CPI) inflation adjustments to rental rates and related facilities charges. OMB Circular A-45 requires agencies to implement CPI adjustments at the beginning of the first full pay period commencing on or after March 1 of each year. The first full pay period in March of 2009 begins on March 1, 2009.

Between September 2007 and September 2008, the national Rent CPI increased by 3.6%. Enclosed are individual survey region rate schedules (Attachments 1 – 17) for rent and utilities. A nationwide schedule of charges for appliances, furnishings and services (Attachment 18) is also enclosed. During the past year, the cost of fuel oil increased nationally by 43.3%; propane increased 26.3%; natural gas increased 20.0%; and electricity increased 8.1%. The Isolation Adjustment Factor (IAF), which is keyed to the GSA temporary mileage allowance, will increase from \$3.90 to \$4.70. This increases the dollar amount deducted for isolation, which may subsequently decrease rent in isolated areas.

The CPI “Rental Adjustment” shown in the attachment for each region is the cumulative total from the effective date of the last survey in that region through September 2008; **it is not the CPI for just one year.** For example, the Northeast region had a +4.5% change in Rent CPI (June 2007 through September 2008), and the California region had a +13.1% change in Rent CPI (May 2005 through September 2008.)

Bureaus of the U.S. Department of the Interior are reminded of the requirement to provide a 30-day written notice to affected tenants **prior** to the March 1, 2009 implementation date. Other agencies should follow their own procedures. Software to update QMIS with the new CPI formulae will be available to download from the National Business Center web site no later than the first week of January 2009. A memo will be distributed when the 2009 QMIS software is available. CD-ROMs will be provided to those agencies unable to download the software from the Internet. Please forward this letter to all housing officials in your agency.

A copy of this memorandum can also be found at the NBC Quarters Program website (<http://www.nbc.gov/supportservices/cpi.html>). If you have any questions, please contact me at (303) 969-5050 or Laura Walters at (303) 969-5696.
