SPECIAL PROJECTS

1. **Review of outside employment by certain medical personnel at the Department of Veterans Affairs.**

This will be a review of outside employment by certain medical personnel, largely at the Department's field offices. This will include a determination of whether the Department should require the prior approval of such outside employment by regulation supplementing the Standards of Ethical Conduct for Employees of the Executive Branch.

2. **Review of selected agencies' management of their ethics programs for advisory committees.**

This will be a review of the effectiveness of selected agencies in providing ethics services to their advisory committees. This will include a review of the financial disclosure system, education and training, and advice and counseling.
