AGENCY: United States International Trade Commission.

ACTION: Notice of Commission determination to conduct full five-year reviews concerning the countervailing duty and antidumping duty orders on certain pipe and tube from Argentina, Brazil, India, Korea, Mexico, Taiwan, Thailand, and Turkey.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)(5)) to determine whether revocation of the countervailing duty and antidumping duty orders on certain pipe and tube from Argentina, Brazil, India, Korea, Mexico, Taiwan, Thailand, and Turkey would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date. For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

SUPPLEMENTARY INFORMATION: On October 4, 2005, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act.¹ The Commission found that the domestic interested party group response to its notice of institution (70 F.R. 38204, July 1, 2005) was adequate. The Commission found that the respondent interested party group responses with respect to the orders on welded carbon steel pipe and tube from Turkey and circular welded nonalloy steel pipe from Mexico were adequate, but found that the respondent interested party group responses with respect to the orders on welded carbon steel pipe and tube from Thailand and India, small diameter carbon steel pipe and tube from Taiwan, circular welded nonalloy steel pipe from Brazil, Korea, and Taiwan, and light-walled rectangular pipe and tube from Argentina and Taiwan were inadequate. However, the Commission determined to conduct full reviews concerning all orders for which the respondent interested party group response was inadequate to promote administrative efficiency in light of its decision to conduct full reviews with respect to the orders on subject imports from Mexico
