SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)(5)) to determine whether revocation of the countervailing duty and antidumping duty orders on certain carbon steel products from Australia, Belgium, Brazil, Canada, Finland, France, Germany, Japan, Korea, Mexico, Poland, Romania, Spain, Sweden, Taiwan, and the United Kingdom would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. SUPPLEMENTARY INFORMATION: On February 6, 2006, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act. With respect to corrosion-resistant carbon steel flat products, the Commission found that the domestic and respondent interested party group responses to its notice of institution (70 F.R. 62324, October 31, 2005) were adequate. With respect to cut-to-length carbon steel plate, the Commission found that the domestic interested party group response to its notice of institution was adequate and that the respondent interested party group responses with respect to Belgium, Brazil, Finland, Germany, Mexico, Poland, and the United Kingdom were adequate, but found that the respondent interested party group responses with respect to Romania, Spain, Sweden, and Taiwan were inadequate. However, the Commission determined to conduct full reviews concerning cut-to-length carbon steel plate from Romania, Spain, Sweden, and Taiwan to promote administrative efficiency in light of its decision to conduct full reviews with respect to cut-to-length carbon steel plate from Belgium, Brazil, Finland, Germany, Mexico, Poland, and the United Kingdom. A record of the Commissioners' votes, the Commission's statement on adequacy, and any

individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's web site.

AUTHORITY: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.
