

Sudden Aspen Decline

What is it? How much of the GMUG's aspen stands are impacted?

U.S. Forest Service Entomologist Roy Mask will present information from ongoing SAD studies on the GMUG at the following public libraries:

Delta	4:00-5:00 p.m. April 29, 2009
Cedaredge	6:30-7:30 p.m. April 29, 2009
Hotchkiss	2:30-3:30 p.m. April 30, 2009
Crawford	4:30-5:30 p.m. April 30, 2009
Paonia	6:30-7:30 p.m. April 30, 2009

Please call Jamie Hollier (970)856-3518 for more info.
