

# Free Training Workshops

Highway & Motor Carrier Division • Transportation Sector Network Management • Transportation Security Administration

## Hazmat Motor Carrier Security Training 2009 Schedule

In a continued effort to increase the security posture of the HAZMAT motor carrier industry, TSA has developed and is offering free training workshops that build upon the current U.S. DOT security planning regulations (49 CFR 172.704 and 49 CFR 172.800) and TSA security initiatives. Motor Carriers will learn about voluntary Security Action Items (SAI) developed by TSA that can be incorporated into existing company security plans. These SAI training workshops will meet the U.S. DOT security awareness training requirement and are available to all HAZMAT transportation employees.

### To pre-register contact:

Phone: (505) 254-3700

Fax: (505) 938-7941

E-mail: [register@tsa-sait.org](mailto:register@tsa-sait.org)

Web: [www.tsa-sait.org](http://www.tsa-sait.org)

### To contact TSA with questions:

E-mail: [highwaysecurity@dhs.gov](mailto:highwaysecurity@dhs.gov)

Or visit: [www.tsa.gov/highway](http://www.tsa.gov/highway)
