Re: Report of Abandoned Underwater Pipelines
790-H-32 (High Island Blk A-349)

Gentlemen:

Please find attached a summary containing all information required under 49 CFR 192.727 for pipeline facilities abandoned by ANR Pipeline Company after October 10, 2001. These facilities are located in the Gulf of Mexico.

Sincerely,

A handwritten signature in cursive script that reads "Louis Salinas".

Louis Salinas
Principal Engineer

UPS # 1Z 771 186 01 9685 8212

ABANDONMENT REPORT Per CFR Part 192.727(g)

This portion is to be filled out by Compliance Engineer or individual making a request that a report be made.

Location

Line Name or Number: 790H-32

Begin Point GIS Coordinate: X=3,783,257.74 Y= 128,463.35

Begin Valve Section and Map Station:

End Point GIS Coordinate: X=3,779,942.04 Y=137,585.45

End Valve Section and Map Station:

Size

Outside Diameter (inches): 16-inch

Length (feet): 1.84 miles

Date of Abandonment

Date: 11/20/2002

Method of Abandonment (Provide statement describing method of abandonment)

The pipeline abandonment consists of flooding the line with seawater. A pup piece topside at +18' to disconnect the pipeline from the deck and jacket so that the deck can be removed. A 20 ft. section will be removed on the jacket to allow the jacket to be partially abandoned.

Certification Statement*

Name of individual (likely engineering sign-off) to attest that the pipe abandonment has met FERC and state requirements: Debbie Kalisek

Name of individual (likely field sign-off) to attest that the pipe has been physically abandoned according to DOT regulations: Brian Aulbaugh

This portion is to be filled out by individual making submittal to NPMS.

NPMS Attributes**

Unique Link ID	Not applicable, never submitted to NPMS
Operator Number	405
Operator Name	ANR Pipeline
System Name	High Island Blk. A-349
Pipeline ID	790H-32
Commodity Category 1	NG
Interstate Designation	Y
Pipeline Status Code	B
Data Quality Code	G
Revision Code	D
Metadata File Name	Not applicable, never submitted to NPMS

* The following statement will be submitted to NPMS with each report: To the best of my knowledge, I have provided all of the requested information that is reasonably available about the subject abandoned pipeline facility and to the best of my knowledge, this abandoned pipeline facility was abandoned in accordance with all applicable State and Federal requirements in effect at the time of abandonment.

** More detailed description of these attributes can be found on next spreadsheet.
