Continuation of Antidumping Duty Orders on Certain Iron Construction Castings from Brazil, Canada, and the People's Republic of China, and the Countervailing Duty Order on Heavy Iron Construction Castings from Brazil

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce ("the Department") and the International Trade Commission ("ITC") that revocation of the antidumping duty orders on certain iron construction castings from Brazil, Canada, and the People's Republic of China ("China"), and the countervailing duty order on heavy iron construction castings from Brazil would likely lead to continuation or recurrence of dumping and countervailable subsidies, and material injury to an industry in the United States, the Department is publishing notice of continuation of these antidumping and countervailing duty orders.

EFFECTIVE DATE: June 29, 2005.

FOR FURTHER INFORMATION CONTACT:

Martha V. Douthit or Dana Mermelstein, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-5050 or (202) 482-1391, respectively.

As a result of its review, the Department found that revocation of the antidumping and countervailing duty orders would likely lead to continuation or recurrence of dumping and countervailable subsidies, and notified the ITC of the magnitude of the margins and the net countervailable subsidy likely to prevail were the orders to be revoked.² On June 14, 2005, the ITC determined pursuant to section 751(c) of the Act, that revocation of the antidumping duty orders on certain iron construction casting from Brazil, Canada, and China, and the countervailing duty order on heavy iron construction castings from Brazil would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.³

23, 2005, the Department extended the time limit for the deadline for issuance of the preliminary results to June 30, 2005, in accordance with section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and § 351.214(i)(2) of the Department's regulations. *See Notice of Extension of the Preliminary Results of New Shipper Antidumping Duty Reviews: Crawfish Tail Meat from the People's Republic of China* 70 FR 14648.
