

accuracy of the agency's estimate of the burden of the proposed collection of information; (c) enhance the quality, usefulness, and clarity of the information to be collected; and (d) minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

To comply with the public consultation process, on August 6, 2002, we published a **Federal Register** notice (67 FR 50895) announcing that we would submit this ICR to OMB for approval. The notice provided the required 60-day comment period. In addition, § 250.80 (formerly § 280.0) provides the OMB control number for the information collection requirements imposed by the 30 CFR part 280 regulations and forms. The regulation also informs the public that they may comment at any time on the collections of information and provides the address to which they should send comments. We have received no comments in response to these efforts.

If you wish to comment in response to this notice, you may send your comments to the offices listed under the **ADDRESSES** section of this notice. OMB has up to 60 days to approve or disapprove the information collection but may respond after 30 days. Therefore, to ensure maximum consideration, OMB should receive public comments by December 18, 2002.

**Public Comment Policy:** Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the record, which we will honor to the extent allowable by the law. There may be circumstances in which we would withhold from the record a respondent's identity, as allowable by the law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

**MMS Information Collection Clearance Officer:** Jo Ann Lauterbach, (202) 208-7744.

Dated: October 30, 2002.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-752 (Review)]

### Crawfish Tail Meat From China

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice of Commission determination to conduct a full five-year review concerning the antidumping duty order on crawfish tail meat from China.

**SUMMARY:** The Commission hereby gives notice that it will proceed with a full review pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) to determine whether revocation of the antidumping duty order on crawfish tail meat from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the review will be established and announced at a later date. For further information concerning the conduct of this review and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

**EFFECTIVE DATE:** November 4, 2002.

#### FOR FURTHER INFORMATION CONTACT:

Mary Messer (202-205-3193), Office of Investigations, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this review may be viewed on the Commission's electronic docket (EDIS-ON-LINE) at <http://dockets.usitc.gov/eol/public>.

**SUPPLEMENTARY INFORMATION:** On November 4, 2002, the Commission determined that it should proceed to a full review in the subject five-year

review pursuant to section 751(c)(5) of the Act. The Commission found that both the domestic and respondent interested party group responses to its notice of institution (67 FR 50459, August 2, 2002) were adequate. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's web site.

**Authority:** This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: November 13, 2002.

**Marilyn R. Abbott,**

*Secretary to the Commission.*

## INTERNATIONAL TRADE COMMISSION

[Investigation No. TA-421-1]

### Pedestal Actuators

#### Determination

On the basis of information developed in the subject investigation, the United States International Trade Commission determines, pursuant to section 421(b)(1) of the Trade Act of 1974,<sup>1</sup> that pedestal actuators<sup>2</sup> from the People's Republic of China are being imported into the United States in such increased quantities or under such conditions as to cause market disruption to the domestic producers of like or directly competitive products.<sup>3</sup>

#### Proposals With Respect to Remedy<sup>4</sup>

Vice Chairman Jennifer A. Hillman and Commissioner Marcia E. Miller

<sup>1</sup> 19 U.S.C. 2451(b)(1).

<sup>2</sup> For purposes of this investigation, pedestal actuators consist of electromechanical linear actuators, imported with or without motors, or as part of scooter subassemblies, all the foregoing used for lifting and lowering, or for pushing or pulling. The products under investigation include any subassembly of pedestal actuator parts and components. Pedestal actuators are powered by fractional horsepower DC or AC motors, which drive a ball bearing screw or acme screw through a gear reducer to convert rotary to linear motion. The products are designed for flat or base mounting, have telescoping members, with bearings or bearing surfaces, and rigidly support the load and provide anti-rotation. Pedestal actuators are provided for in subheadings 8483.40.50 and 8483.40.80 and in heading 8501 of the Harmonized Tariff System of the United States.

<sup>3</sup> Chairman Deanna Tanner Okun and Commissioner Lynn M. Bragg make a negative determination.

<sup>4</sup> Chairman Deanna Tanner Okun and Commissioner Lynn M. Bragg, having made
