2. To implement that decision, the Committee instructed the Secretariat to prepare a Classification Opinion for examination by the preessional Working Party.
3. On account of a reservation entered by the Brazilian Administration (see Doc. 42.004 – HSC/21), the implementation of that decision was suspended. However, at the Committee's 22nd Session, the Brazilian Administration indicated that it had decided to withdraw its reservation (Doc. 42.432 – HSC/22).
