LIST OF QUESTIONS WHICH MIGHT BE EXAMINED AT A FUTURE SESSION

(Item XI.1 on Agenda)

Reference document :

NC0160B2, Annex M (HSC/24 – Report)

1. At the conclusion of its 24th Session in October 1999, the Harmonized System Committee approved a list of questions which might be examined by the Committee at a future session (Annex M to Doc. NC0160B2– HSC/24 – Report).
2. Since then, 73 of the 90 questions listed have been placed either on the agendas of the 15th Session of the Scientific Sub-Committee (January 2000), the 21st Session of the Review Sub-Committee (February 2000) or the 25th Session of the Harmonized System Committee (March 2000).
3. Moreover, two questions have been added to the list, taking account of the reservations entered by the EC in respect of decisions taken by the Committee at its 24th Session (Questions 4 and 5 in the Annex to this document). Finally, six questions were deleted from the list as a result of reservations which have been entered under the Article 16 and Article 8 procedures.
4. These modifications have been taken into account in drafting the list of outstanding questions which is reproduced in the Annex hereto.
5. The Committee is invited to examine this list.
