Attention: Information Officer

RE: Report of Pipeline Facilities Abandoned Underwater Prior to October 10, 2000

Dear Sir:

Enclosed is the captioned report for Tennessee Gas Pipeline (Operator ID # 19160), pursuant to 49 CFR 192.727(g)(2). Tennessee Gas hereby certifies that, to its knowledge, the abandoned pipeline facilities reported herein were abandoned in accordance with all applicable laws prevailing at the time each facility was abandoned.

Tennessee Gas is providing all information reasonably available regarding underwater abandoned facilities. Tennessee Gas does not intend to represent that all facilities abandoned in its operational history are included in this report since some information is not reasonably available, and many abandoned facilities do not meet the criteria set forth in the rule.

Should you have any questions concerning this report, please contact the undersigned at (832) 676-4157.

Sincerely,

A handwritten signature in cursive script that reads "My-Linh Laud".

My-Linh Laud
Senior Compliance Engineer

RE: Report of Pipeline Facilities Abandoned Underwater Prior to October 10, 2000

Dear Sir:

Enclosed is the captioned report for El Paso Natural Gas Pipeline (Operator ID # 04280), pursuant to 49 CFR 192.727(g)(2). El Paso Natural Gas hereby certifies that, to its knowledge, the abandoned pipeline facilities reported herein were abandoned in accordance with all applicable laws prevailing at the time each facility was abandoned.

El Paso Natural Gas is providing all information reasonably available regarding underwater abandoned facilities. El Paso Natural Gas does not intend to represent that all facilities abandoned in its operational history are included in this report since some information is not reasonably available, and many abandoned facilities do not meet the criteria set forth in the rule.

Should you have any questions concerning this report, please contact the undersigned at (832) 676-4157.

Sincerely,

A handwritten signature in cursive script that reads "My-Linh Laud".

My-Linh Laud
Senior Compliance Engineer
