RE: Report on Pipelines Abandoned Offshore and in Commercially Navigable Waterways from Trunkline Gas Company (Operator # 19730)

As required, by 49CFR192.727 Trunkline Gas Company is submitting a report of Abandoned Offshore Pipelines as well as Onshore Pipeline Facilities abandoned over, under or through a Commercially Navigable Waterway before October 10, 2000.

To the best of my knowledge, Trunkline Gas Company has provided all the requested information that is reasonably available about the subject abandoned pipeline facilities and to the best of my knowledge these Pipeline facilities were abandoned in accordance with all applicable State and Federal requirements at the time of the abandonment.

Sincerely,

Eric Amundsen
Director of Technical Services
