

## **Agency/Pattee Creek Allotments 2007**

7/19/2007, Cattle in Pattee Meadows, none seen in Agency. *S. Jones*

7/24/2007, Checked the Pattee and Agency Allotments today, salt was placed high in the Kenny drainage, some cow sign. There are still about dozen pair of cattle in the Pattee meadow. Also seen some cows (1/2 dozen pair) in the Lewis and Clark pasture near the forest boundary on the creek. *J. Robson*

7/25/2007, Called Ross Goddard today and informed him of what I saw yesterday. *J. Robson.*
