

Read Me First

This CD contains Draft Environment Impact Statement (DEIS) documents, resource reports, supporting documents and maps. Most of the files are Adobe PDF files requiring the latest Acrobat Reader software (8.0 or higher) for best performance. You can download the latest Acrobat Reader software free of charge on the internet at <http://get.adobe.com/reader/>.

HELP FILES

In addition to these help files, open the home [index.htm](#) file to quickly navigate through and link to the contents of the CD.
