- Forest or Unit Boundary
- Non-National Forest System Lands within this National Forest
- Wilderness
- Lakes

PURPOSE AND CONTENTS OF THIS MAP

This map dated 03/31/2007 shows the National Forest System roads, National Forest System trails and the areas on National Forest System lands in the MONONGAHELA NATIONAL FOREST that are designated for motor vehicle use pursuant to 36 CFR 212.51. The map also contains a list of those designated roads, trails, and areas that enumerates the types of vehicles that are allowed on each route and in each area and any seasonal restrictions that apply on those routes and in those areas.

EXPLANATION OF LEGEND ITEMS

Roads Open to Highway Legal Vehicles Only:
These roads are open only to motor vehicles licensed under State law for general operation on all public roads within the State.

Seasonal Designation:
This symbol, used in conjunction with one of the other road symbols, indicates that the road is open only during certain portions of the year. Refer to the Seasonal and Special Designation Table for further instructions.

OPERATOR RESPONSIBILITIES

Operating a motor vehicle on National Forest System roads, National Forest System trails, and in areas on National Forest System lands carries a greater responsibility than operating that vehicle in a city or other developed setting. Not only must the motor vehicle operators know and follow all applicable traffic laws, but they need to show concern for the environment as well as other road users. The misuse of motor vehicles can lead to the temporary or permanent closure of any designated road, trail, or area. Operators of motor vehicles are subject to State traffic law, including State requirements for licensing, registration, and operation of the vehicle in question.

Motor vehicle use, especially off-highway vehicle use, involves inherent risks that may cause property damage, serious injury, and possibly death to participants. Riders should drive cautiously and anticipate rough surfaces and features, such as snow, mud, vegetation, and water crossings common to remote driving conditions. Participants voluntarily assume full responsibility for these damages, risks, and dangers. Motor vehicle operators should take care at all times to protect themselves and those under their responsibility.

Much of the MONONGAHELA NATIONAL FOREST is remote, and medical assistance may not be readily available. Cellular telephones do not work in many areas of the MONONGAHELA NATIONAL FOREST. Operators should take adequate food, water, first aid supplies, and other equipment appropriate for the conditions and expected weather.

ALWAYS REMEMBER TO RESPECT PRIVATE LAND! PROTECT YOUR PRIVILEGE. STAY ON DESIGNATED ROADS, TRAILS AND IN DESIGNATED AREAS.

You should read and understand this map in its entirety. If you have questions, please contact the MONONGAHELA NATIONAL FOREST for clarification.

Road, trail, and area users must comply with this map, as well as all Federal, State, and local laws and regulations. Compliance with these rules is the responsibility of the user.

PROHIBITIONS

It is prohibited to possess or operate a motor vehicle on National Forest System lands on the MONONGAHELA NATIONAL FOREST other than in accordance with these designations (36 CFR 261.13).

Violations of 36 CFR 261.13 are subject to a fine of up to \$5,000 or imprisonment for up to 6 months or both (U.S.C. 3571(e)). This prohibition applies regardless of the presence or absence of signs.

This map does not display non-motorized uses, over-snow uses, or other facilities and attractions on the MONONGAHELA NATIONAL FOREST. Obtain a forest visitor map for more complete information.

Designated roads, trails and areas may also be subject to temporary, emergency closures, and visitors must comply with signs notifying them of such restrictions. A national forest may issue an order to close a road, trail or area on a temporary basis to protect the life, health, or safety of forest visitors or the natural or cultural resources in these areas. Such a temporary and/or emergency closure is consistent with the Travel Management Rule (36 CFR 212.20(b), 36 CFR 261 subpart B).

The designation "road open to all motor vehicles" does not supersede vehicle size or weight limits imposed through State traffic law.
