**BACKGROUND:** Chapter 3 and Annex 3-A of the U.S.-Singapore FTA set out rules of origin for textiles and apparel for applying the tariff provisions of the USSFTA. These rules are reflected in General Note 25 of the Harmonized Tariff Schedule (HTS). According to the request letter from USTR, U.S. negotiators have recently reached agreement in principle with representatives of the Government of Singapore to modify the USSFTA rules of origin for certain yarns and fabrics because it has been determined that producers in the United States and Singapore are not able to manufacture these products in commercial quantities in a timely manner. The products covered by this request are listed in the appendix that follows.

Section 203(o)(2)(B)(i) of the United States-Singapore Free Trade Agreement Implementation Act (the Act) authorizes the President, subject to the consultation and layover requirements of section 103 of the

Act, to proclaim such modifications to the rules of origin as are necessary to implement an agreement with Singapore pursuant to Article 3.18.4(c) of the Agreement. One of the requirements set out in section 103 of the Act is that the President obtain advice regarding the proposed action from the Commission. The request letter asks that the Commission provide advice on the probable effect of the proposed modification of the USSFTA rules of origin described above on U.S. trade under the USSFTA, on total U.S. trade, and on domestic producers of the affected articles. The USTR asked that the Commission submit its advice to USTR by August 28, 2009, and that the Commission shortly thereafter issue a public version of the report with any confidential business information deleted.

Additional information concerning the articles and the proposed modifications can be obtained by accessing the electronic version of this investigation notice at the Commission Internet site (<http://www.usitc.gov>). The USTR request letter may be obtained at [http://www.usitc.gov/ind\\_econ\\_ana/research\\_ana/Ongoing\\_Inv/documents/103req1wt.pdf](http://www.usitc.gov/ind_econ_ana/research_ana/Ongoing_Inv/documents/103req1wt.pdf). The current USSFTA rules of origin applicable to U.S. imports can be found in general note 25 of the HTS (see “General Notes” link at <http://www.usitc.gov/tata/hts/bychapter/index.htm>)

**WRITTEN SUBMISSIONS:** No public hearing is planned. However, interested parties are invited to submit written submissions concerning this investigation. All written submissions should be addressed to the Secretary at the earliest possible date, and should be received not later than 5:15 p.m., May 19, 2009. All written submissions must conform to the provisions of section 201.8 of the Commission’s *Rules of Practice and Procedure* (19 C.F.R. 201.8). Section 201.8 requires that a signed original (or a copy so designated) and fourteen (14) copies of each document be filed. In the event that confidential treatment of a document is requested, at least four (4) additional copies must be filed, in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). The Commission’s rules authorize filing submissions with the Secretary by facsimile or electronic means only to the extent permitted by section 201.8 of the rules (see Handbook for Electronic Filing Procedures, [http://www.usitc.gov/secretary/fed\\_reg\\_notices/rules/documents/handbook\\_on\\_electronic\\_filing.pdf](http://www.usitc.gov/secretary/fed_reg_notices/rules/documents/handbook_on_electronic_filing.pdf)). Persons with questions regarding electronic filing should contact the Secretary (202-205-2000).

Any submissions that contain confidential business information must also conform to the requirements of section 201.6 of the Commission’s *Rules of Practice and Procedure* (19 C.F.R. 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the “confidential” or “non-confidential” version, and that the confidential business information is clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

The Commission may include some or all of the confidential business information submitted in the course of this investigation in the report it sends to the USTR and the President. As requested by the USTR, the Commission will publish a public version of the report. However, in the public version, the Commission will not publish confidential business information in a manner that would reveal the operations of the firm supplying the information.

By order of the Commission.
