# Federal Aviation Administration (FAA) Western-Pacific Region 5th Annual Airports Conference

**June 2-4, 2009**

# Conference Agenda

Dear Aviation Stakeholder,

On behalf of the Federal Aviation Administration (FAA), I am pleased to welcome you to the Fifth Annual Airports Conference being held at the Westin Los Angeles Airport Hotel, located in Los Angeles, California. This conference will provide a forum for aviation interest within the Western-Pacific Region to discuss topics and concerns related to airports and aviation.

The Conference will include presentations from industry, FAA Headquarters and FAA Western-Pacific Region representations on various subjects including Planning/Programming, Engineering/Construction, Noise/Environmental, Airport Safety/Operations & Compliance, Disadvantaged Business Enterprise (DBE), and the Air Traffic Organization. As well as a half-day training specifically focusing on Airport Planning.

I look forward to our continued successful partnerships in developing aviation safety and infrastructure throughout the Western-Pacific Region.

Thank you for your continuous support and I look forward to seeing you at our 5th Annual conference!

Mark A. McClardy  
Manager, Airports Division  
Federal Aviation Administration, Western-Pacific Region
