Unkamet Brook-Remainder

Volume I of III**Report Text**

- Section 1 – Introduction
- Section 2 – Summary of Pre-Design Activities and Available Soil and Sediment Data
- Section 3 – Summary of PCB and Appendix IX+3 Evaluation Procedures
- Section 4 – PCB and Non-PCB Soil Evaluations
- Section 5 – Preliminary Design Information and Future Design-Related Activities
- Section 6 – Schedule

Figures**Appendices**

- Appendix A Summary of Analytical Data for All Samples Used in PCB Evaluations
- Appendix B Summary of Analytical Data for Sediment Samples (PCBs and Appendix IX+3)

Volume II of III**Appendices (continued)**

- Appendix C PCB Spatial Averaging Evaluation Tables and Polygon Maps

Volume III of III**Appendices (continued)**

- Appendix D Non-PCB Appendix IX+3 Evaluation Tables and Figures
- Appendix E Risk Evaluation of Non-PCB Appendix IX+3 Constituents in Soils for Select Averaging Areas within Unkamet Brook Area-Remainder
- Appendix F Summary of Unkamet Brook Flow Modeling Activities
