

2009 DEMO AND EDUCATION FAIR AND OHV SAFETY GEAR SWAP MEET

The Central Oregon Combined Off-Highway Vehicle Operations (COHVOPS) staff would like to invite you to the first ever OHV Demo and Education Fair. This event located in the East Fort Rock OHV Trail System located southeast of Bend Oregon will be held in staging area 2510. This event is an open invitation to Dirt Bike riders, ATV riders, 4x4 enthusiasts, Hunters, and the General Public of all ages to see everything that OHV has to offer. So bring the children and allow COHVOPS the opportunity to contribute to the development of your children's OHV understanding, technical skill and safety awareness.

DATE: May 29-31, 2009
TIME: Friday 1:00 - 5:00
 Saturday 9:00 - 6:00
 Sunday 9:00 - 4:00
WHERE: East Fort Rock OHV Trail System in the 2510 Staging Area. (28 Miles SE of Bend)

DEMO OPPORTUNITIES

Are you looking for a new motorcycle or maybe thinking about adding an ATV to your collection. Maybe you are the hunting type and you are looking for a new side-by-side for your next hunting excursion. Here is your opportunity to test drive the latest and greatest of what 2009 has to offer in Off-Highway Vehicles. Come check out your favorite Class I, II or III Off-Highway Vehicle.

OHV SAFETY GEAR SWAP MEET

PRIORITIZE THE NEED FOR SAFETY! EVERY YEAR, INJURIES OCCUR WITH YOUTH AND ADULTS ALIKE, THAT OTHERWISE COULD HAVE BEEN PREVENTED IF SAFETY GEAR HAD BEEN AVAILABLE AND UTILIZED. **HERE IS YOUR OPPORTUNITY TO MAKE A DIFFERENCE.** DIG UP THAT UNUSED SAFETY GEAR THAT YOU OR YOUR KIDS MAY HAVE GROWN OUT OF, REPLACED OR DOESN'T GET USED ANYMORE.

TEAM UP WITH COHVOPS AND LETS MAKE AN AGGRESSIVE EFFORT TO CLOTHE EVERY OHV ENTHUSIAST WITH THE NECESSARY SAFETY EQUIPMENT SO UNNECESSARY INJURIES DON'T HAVE TO OCCUR.

RULES: OWNER POSTS THE PRICE DESIRED. PAYOUT AT COMPLETION OF SALE.

OHV EDUCATION / DISTRIBUTOR SAFETY GEAR GIVEAWAY

For each of the following sessions you participate in, your entry pass will be validated and you will receive one raffle ticket for eligibility in the safety giveaways by the distributor taking place every hour throughout the day, (helmets, safety gear, t-shirts...etc).

- ONLINE ATV SAFETY CERTIFICATION - HERES YOUR CHANCE TO COMPLETE THE STATE REQUIRED OHV SAFETY TRAINING. TRAILER WILL BE ON SITE ACCESSIBLE AND AVAILABLE FOR THE DURATION OF THE EVENT. TAKE IT BY YOURSELF OR WITH YOUR FAMILY. IF YOU HAVE ALREADY COMPLETED THE TRAINING, SHOW US YOUR ATV SAFETY EDUCATION CARD AND RECEIVE CREDIT.
- RIDER FIT GUIDELINES, HELMET LAW, SUPERVISION LAW AND THE 2009 LAWS
- RIDING ON PUBLIC LANDS – YOUR RESPONSIBILITIES AND WHAT IS ENFORCED
- THE TRAVEL MANAGEMENT RULE – HOW WILL THIS EFFECT YOU, WHAT YOU NEED TO KNOW BEFORE YOU PURCHASE AN OHV, WHAT IS THE FUTURE OF OHV? HUNTING AND OHV'S!
- HANDS ON ATV AND MOTORCYCLE AWARENESS WORKSHOPS FOR YOUTH **REQUIRES PARENTS PARTICIPATE / ATV SAFETY CERTIFICATION CARD** This unique training opportunity will target riders under 16 to help develop trail awareness, safety awareness and skill development. This group training will require that the youth be accompanied by a parent/guardian and both must possess and be able to show their ATV SAFETY CERTIFICATION CARD and both must have their own OHV to participate. This is a great preview of the upcoming training that will be required by 2012.

ROCK CRAWLING AT GROUNDHOG

Preview the Groundhog Rock Crawl competition that will be coming up on June 12-14, 2009 as representatives from the Deschutes County Four Wheelers will be on location demonstrating the sport of Rock Crawling and also offer the viewing public an opportunity to ride in the rock crawlers and experience rock crawling firsthand.

FREE ON-SITE SERVICES

- **Technical Inspections** – Have your quad or motorcycle inspected by a certified mechanic. The technician will perform a multi-point inspection to maximize the performance of your OHV. Tire pressure, carburetor, air filter, chain tension, etc.
- **Muffler Repacking** – Have your muffler inspected and repacked if necessary. May require paying for the packing, but otherwise the service is free.
- **Spark Arrestor and Decibel Testing** of your OHV. This service provided by the Central Oregon Motorcycle and ATV Club (COMAC) and Lobos Motorcycle Club.
