

minority groups to be effectively informed of and participate effectively in voting-connected activities; and

(2) That an affected jurisdiction should take all reasonable steps to achieve that goal.

(c) The determination of what is required for compliance with section 4(f)(4) and section 203(c) is the responsibility of the affected jurisdiction. These guidelines should not be used as a substitute for analysis and decision by the affected jurisdiction.

(d) Jurisdictions covered under section 4(f)(4) of the Act are subject to the preclearance requirements of section 5. See part 51 of this chapter. Such jurisdictions have the burden of establishing to the satisfaction of the Attorney General or to the U.S. District Court for the District of Columbia that changes made in their election laws and procedures in order to comply with the requirements of section 4(f)(4) are not discriminatory under the terms of section 5. However, section 5 expressly provides that the failure of the Attorney General to object does not bar any subsequent judicial action to enjoin the enforcement of the changes.

(e) Jurisdictions covered solely under section 203(c) of the Act are not subject to the preclearance requirements of section 5, nor is there a Federal apparatus available for preclearance of section 203(c) compliance activities. The Attorney General will not preclear jurisdictions' proposals for compliance with section 203(c).

(f) Consideration by the Attorney General of a jurisdiction's compliance with the requirements of section 4(f)(4) occurs in the review pursuant to section 5 of the Act of changes with respect to voting, in the consideration of the need for litigation to enforce the requirements of section 4(f)(4), and in the defense of suits for termination of coverage under section 4(f)(4). Consideration by the Attorney General of a jurisdiction's compliance with the requirements of section 203(c) occurs in the consideration of the need for litigation to enforce the requirements of section 203(c).

(g) In enforcing the Act—through the section 5 preclearance review process, through litigation, and through defense of suits for termination of coverage

under section 4(f)(4)—the Attorney General will follow the general policies set forth in this part.

(h) This part is not intended to preclude affected jurisdictions from taking additional steps to further the policy of the Act. By virtue of the Supremacy Clause of Art. VI of the Constitution, the provisions of the Act override any inconsistent State law.

§ 55.3 Statutory requirements.

The Act's requirements concerning the conduct of elections in languages in addition to English are contained in section 4(f)(4) and section 203(c). These sections state that whenever a jurisdiction subject to their terms "provides any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots, it shall provide them in the language of the applicable language minority group as well as in * * * English. * * *"

[Order 655-76, 41 FR 29998, July 20, 1976, as amended by Order 1246-87, 53 FR 736, Jan. 12, 1988]

§ 55.5 Coverage under section 4(f)(4).

(a) *Coverage formula.* Section 4(f)(4) applies to any State or political subdivision in which

(1) Over five percent of the voting-age citizens were, on November 1, 1972, members of a single language minority group,

(2) Registration and election materials were provided only in English on November 1, 1972, and

(3) Fewer than 50 percent of the voting-age citizens were registered to vote or voted in the 1972 Presidential election.

All three conditions must be satisfied before coverage exists under section 4(f)(4).¹

(b) Coverage may be determined with regard to section 4(f)(4) on a statewide or political subdivision basis.

(1) Whenever the determination is made that the bilingual requirements of section 4(f)(4) are applicable to an entire State, these requirements apply to each of the State's political subdivisions as well as to the State. In other words, each political subdivision within a covered State is subject to the same requirements as the State.

(2) Where an entire State is not covered under section 4(f)(4), individual political subdivisions may be covered.

§ 55.6 Coverage under section 203(c).

(a) *Coverage formula.* There are four ways in which a political subdivision can become subject to section 203(c).²

(1) *Political subdivision approach.* A political subdivision is covered if—

(i) More than 5 percent of its voting age citizens are members of a single language minority group and are limited-English proficient; and

(ii) The illiteracy rate of such language minority citizens in the political

subdivision is higher than the national illiteracy rate.

(2) *State approach.* A political subdivision is covered if—

(i) It is located in a state in which more than 5 percent of the voting age citizens are members of a single language minority and are limited-English proficient;

(ii) The illiteracy rate of such language minority citizens in the state is higher than the national illiteracy rate; and

(iii) Five percent or more of the voting age citizens of the political subdivision are members of such language minority group and are limited-English proficient.

(3) *Numerical approach.* A political subdivision is covered if—

(i) More than 10,000 of its voting age citizens are members of a single language minority group and are limited-English proficient; and

(ii) The illiteracy rate of such language minority citizens in the political subdivision is higher than the national illiteracy rate.

(4) *Indian reservation approach.* A political subdivision is covered if there is located within its borders all or any part of an Indian reservation—

(i) In which more than 5 percent of the voting age American Indian or Alaska Native citizens are members of a single language minority group and are limited-English proficient; and

(ii) The illiteracy rate of such language minority citizens is higher than the national illiteracy rate.

(b) *Definitions.* For the purpose of determinations of coverage under section 203(c), *limited-English proficient* means unable to speak or understand English adequately enough to participate in the electoral process; *Indian reservation* means any area that is an American Indian or Alaska Native area, as defined by the Census Bureau for the purposes of the 1990 decennial census; and *illiteracy* means the failure to complete the fifth primary grade.

(c) *Determinations.* Determinations of coverage under section 203(c) are made with regard to specific language groups of the language minorities listed in section 203(e).
