

1996 Primary Aluminum Source List

The document provides a list of potential sources that produce primary aluminum which may be subject to this subpart. This list should not be considered all inclusive as sources who are not on this list may also be subject to the NESHAP. In addition, sources identified in list may no longer be subject to the NESHAP.

State	Location	Plant Name	Type of Plant
Indiana	Newburgh (Warrick)	Alcoa	Center-worked prebake
Kentucky	Hawesville	NSA	Center-worked prebake
	Henderson	Alcan	Center-worked prebake
Louisiana	Lake Charles	Reynolds	Anode production facility (not located at a primary aluminum reduction plant)
Maryland	Frderick (Alumax)	Eastalco	Side-worked prebake
Missouri	New Madrid	Noranda	Center-worked prebake
Montana	Columbia Falls	Columbia Falls	Vertical stud Soderberg
New York	Massena	Alcoa	Center-worked prebake
	Massena	Reynolds	Horizontal stud Soderberg
North Carolina	Badin	Alcoa	Center-worked prebake
Ohio	Hannibal	Ormet	Center-worked prebake
Oregon	Troutdale	Reynolds	Center-worked prebake
	The Dalles	Northwest	Vertical stud Soderberg
South Carolina	Goose Creek (Mount Holly)	Alumax	Center-worked prebake
Tennessee	Alcoa	Alcoa	Center-worked prebake
Texas	Rockdale	Alcoa	Center-worked prebake
Washington	Ferndale (Alumax)	Intalco	Side-worked prebake
	Mead	Kaiser	Center-worked prebake
	Tacoma	Kaiser	Horizontal stud Soderberg
	Wenatchee	Alcoa	Center-worked prebake
	Longview	Reynolds	Horizontal stud Soderberg
	Goldendale	Goldendale	Vertical stud Soderberg
	Vancouver	Vanalco	Center-worked prebake
West Virginia	Ravenswood	Ravenswood	Center-worked prebake
