request, to determine whether any portion of that record may be withheld under one or more of the FOIA exemptions. It also includes the processing of any record for disclosure; for example, redacting information that is exempt from disclosure under the FOIA. Review does not include time spent resolving general legal or policy issues regarding the use of FOIA exemptions.

Search refers to the time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within a document. The CSB shall ensure that searches are conducted in the most efficient and least expensive manner reasonably possible.

Submitter means any person or entity who provides information directly or indirectly to the CSB. The term includes, but is not limited to, corporations, Indian tribal governments, state governments, and foreign governments.

Working day means a Federal workday that does not include Saturdays, Sundays, or Federal holidays.

Subpart B—Administration

§ 1601.10 Protection of records.

(a) Except as authorized by this part or as otherwise necessary in performing official duties, no employee shall in any manner disclose or permit disclosure of any document or information in the possession of the CSB that is confidential or otherwise of a non-public nature, including that regarding the CSB, the Environmental Protection Agency or the Occupational Safety and Health Administration.

(b) No person may, without permission, remove from the place where it is made available any record made available to him for inspection or copying. Stealing, altering, mutilating, obliterating, or destroying, in whole or in part, such a record shall be deemed a crime.

§ 1601.11 Preservation of records pertaining to requests under this part.

The CSB will preserve all correspondence pertaining to the requests that it receives under this part, as well as copies of all requested records, until disposition or destruction is authorized by Title 44 of the United States Code or

40 CFR Ch. VI (7–1–07 Edition)

the National Archives and Records Administration's General Records Schedule 14. Records will not be disposed of while they are the subject of a pending request, appeal, or lawsuit under the FOIA.

§ 1601.12 Public reading room.

(a) The CSB maintains a public reading room that contains the records that the FOIA requires to be made regularly available for public inspection and copying as well as a current subject-matter index of its reading room records.

(b) Because of the lack of requests to date for material required to be indexed, the CSB has determined that it is unnecessary and impracticable to publish quarterly, or more frequently, and distribute (by sale or otherwise) copies of each index and supplements thereto, as provided in 5 U.S.C. 552(a)(2). However, the CSB will provide a copy of such indexes to a member of the public upon request, at a cost not to exceed the direct cost of duplication and mailing, if sending records by other than ordinary mail.

(c) The CSB maintains a public reading room at its headquarters: 2175 K Street, NW, Suite 400, Washington, DC 20037-1809.

(d) *Copying*. The cost of copying information available in the offices of the CSB shall be imposed on a requester in accordance with the provisions of §§ 1601.30 through 1601.33.

(e) The CSB also makes reading room records available electronically through the agency's World Wide Web site (which can be found at <http://www.csb.gov>). This includes the index of its reading room records, indicating which records are available electronically.

Subpart C—Procedures for Requesting and Disclosing Records

§ 1601.20 Requests for records.

(a) *Addressing requests*. Requests for records in the possession of the CSB shall be made in writing. The envelope and the request both should be clearly marked *FOIA Request* and addressed to: FOIA Officer, United States Chemical Safety and Hazard Investigation Board,

Chem. Safety and Hazard Invest. Board

§ 1601.22

2175 K Street, NW, Suite 400, Washington, DC 20037-1809. A request improperly addressed will be deemed not to have been received for the purposes of §1601.24(a) until it is received, or would have been received with the exercise of due diligence, by the FOIA Officer. Records requested in conformance with this section and which are not withholdable records may be obtained in person or by mail as specified in the request. Records to be obtained in person will be available for inspection or copying during business hours on a regular business day in the office of the CSB.

(b) *Description of records.* Each request must reasonably describe the desired records in sufficient detail to enable CSB personnel to locate the records with a reasonable amount of effort. A request for a specific category of records will be regarded as fulfilling this requirement if it enables responsive records to be identified by a technique or process that is not unreasonably burdensome or disruptive of CSB operations.

(1) Whenever possible, a request should include specific information about each record sought, such as the date, title or name, author, recipient, and subject matter of the record.

(2) If the FOIA Officer determines that a request does not reasonably describe the records sought, he or she will either advise the requester what additional information is needed to locate the record or otherwise state why the request is insufficient. The FOIA Officer will also extend to the requester an opportunity to confer with CSB personnel with the objective of reformulating the request in a manner which will meet the requirements of this section.

(c) *Agreement to pay fees.* A FOIA request shall be considered an agreement by the requester to pay all applicable fees charged under §§1601.30 through 1601.33 up to \$25, unless the requester seeks a waiver of fees. The CSB ordinarily will confirm this agreement in an acknowledgement letter. When making a request, you may specify a willingness to pay a greater or lesser amount.

(d) *Types of records not available.* The FOIA does not require the CSB to:

(1) Compile or create records solely for the purpose of satisfying a request for records;

(2) Provide records not yet in existence, even if such records may be expected to come into existence at some future time; or

(3) Restore records destroyed or otherwise disposed of, except that the FOIA Officer must notify the requester that the requested records have been destroyed or otherwise disposed of.

§ 1601.21 Responses to requests.

(a) *Response to initial request.* The FOIA Officer is authorized to grant or deny any request for a record and to determine appropriate fees.

(b) *Referral to another agency.* When a requester seeks records that originated in another Federal government agency, the CSB will refer the request to the other agency for response. If the CSB refers the request to another agency, it will notify the requester of the referral. A request for any records classified by some other agency will be referred to that agency for response.

(c) *Creating records.* If a person seeks information from the CSB in a format that does not currently exist, the CSB will make reasonable efforts to provide the information in the format requested. The CSB will not create a new record of information to satisfy a request.

(d) *No responsive record.* If no records are responsive to the request, the FOIA Officer will so notify the requester in writing.

§ 1601.22 Form and content of responses.

(a) *Form of notice granting a request.* After the FOIA Officer has granted a request in whole or in part, the requester will be notified in writing. The notice shall describe the manner in which the record will be disclosed, whether by providing a copy of the record with the response or at a later date, or by making a copy of the record available to the requester for inspection at a reasonable time and place. The procedure for such an inspection may not unreasonably disrupt the operation of the CSB. The response letter will also inform the requester of any fees to be charged in accordance with
