

§ 697.6

(f) *Expiration.* A permit expires upon the renewal date specified in the permit.

(g) *Duration.* An operator permit is valid until it is revoked, suspended, or modified under subpart D of 15 CFR part 904, or otherwise expires, or the applicant has failed to report a change in the information on the permit application to the Regional Administrator as specified in paragraph (j) of this section.

(h) *Reissuance.* An operator permit may be reissued by the Regional Administrator when requested in writing by the applicant, stating the need for reissuance and the number of the permit requested to be reissued. An applicant for a reissued operator permit must also provide two recent (no more than 1 year old) color passport-size photos of the applicant. An application for a reissued permit is not considered a new application. An appropriate fee may be charged.

(i) *Transfer.* Permits issued under this section are not transferable or assignable. A permit is valid only for the person to whom it is issued.

(j) *Change in application information.* Notice of a change in the permit holder's name, address, or telephone number must be submitted in writing to, and received by, the Regional Administrator within 15 days of the change in information. If written notice of the change in information is not received by the Regional Administrator within 15 days, the permit is void.

(k) *Alteration.* Any permit that has been altered, erased, or mutilated is invalid.

(l) *Display.* Any permit issued under this part must be maintained in legible condition and displayed for inspection upon request by any authorized officer.

(m) *Sanctions.* Vessel operators with suspended or revoked permits may not be on board a federally permitted fishing vessel in any capacity while the vessel is at sea or engaged in off-loading. Permits issued or sought under this section may be suspended, revoked, or modified, by procedures governing enforcement-related permit sanctions and denials, found at subpart D of 15 CFR part 904.

(n) *Vessel owner responsibility.* Vessel owners are responsible for ensuring

50 CFR Ch. VI (10-1-06 Edition)

that their vessels are operated by an individual with a valid operator's permit issued under this section.

§ 697.6 Dealer permits.

(a) Any person who receives, for a commercial purpose (other than solely for transport on land), American lobster from the owner or operator of a vessel issued a valid permit under this part, or any person who receives, for a commercial purpose (other than solely for transport on land), American lobster, managed by this part, must have been issued, and have in his/her possession, a valid permit issued under this section.

(b) *Dealer application.* Applicants for a dealer permit under this section must submit a completed permit application on an appropriate form obtained from the Regional Administrator. To be complete, an application must contain at least the following information, and any other information specified on the application form or otherwise required by the Regional Administrator: Company name, place(s) of business, mailing address(es) and telephone number(s); owner's name; dealer permit number (if a renewal); and name and signature of the person responsible for the truth and accuracy of the report. If the dealer is a corporation, a copy of the Certificate of Incorporation; and the names and addresses of all shareholders owning 25 percent or more of the corporation's shares, must be included with the application. If the dealer is a partnership, a copy of the Partnership Agreement and the names and addresses of all partners; if there is more than one partner, names of all partners having more than a 25 percent interest; and name and signature of all partner or partners authorized must be included with the application. The application must be signed by the applicant and submitted to the Regional Administrator at least 30 days prior to the date on which the applicant needs the permit. The Regional Administrator will notify the applicant of any deficiency in the application.

(c) *Fees.* The Regional Administrator may charge a fee to recover the administrative expenses of issuing a permit required under this section. The amount of the fee shall be calculated in

accordance with the procedures of the NOAA Finance Handbook, available from the Regional Administrator, for determining administrative costs of each special product or service. The fee may not exceed such costs and shall be specified with each application form. The applicable fee must accompany each application; if it does not, the application will be considered incomplete for purposes of paragraph (e) of this section. Any fee paid by an insufficiently funded commercial instrument shall render any permit issued on the basis thereof null and void.

(d) *Issuance.* Except as provided in subpart D of 15 CFR part 904, the Regional Administrator will issue a permit at any time during the fishing year to an applicant, unless the applicant has failed to submit a completed application. An application is complete when all requested forms, information, and documentation have been received. Upon receipt of an incomplete or improperly executed application, the Regional Administrator will notify the applicant of the deficiency in the application. If the applicant fails to correct the deficiency within 30 days following the date of notification, the application will be considered abandoned.

(e) *Expiration.* A permit expires upon the renewal date specified in the permit.

(f) *Duration.* A permit is valid until it is revoked, suspended, or modified under 15 CFR part 904, or otherwise expires, or ownership changes, or the applicant has failed to report any change in the information on the permit application to the Regional Administrator as required by paragraph (i) of this section.

(g) *Reissuance.* A dealer permit may be reissued by the Regional Administrator when requested in writing by the applicant, stating the need for reissuance and the number of the permit requested to be reissued. An application for a reissued permit is not considered a new application. An appropriate fee may be charged.

(h) *Transfer.* Permits issued under this section are not transferable or assignable. A permit is valid only for the person, or other business entity, to which it is issued.

(i) *Change in application information.* Notice of a change in the dealers name, address, or telephone number must be submitted in writing to, and received by, the Regional Administrator within 15 days of the change in information. If written notice of the change in information is not received by the Regional Administrator within 15 days, the permit is void.

(j) *Alteration.* Any permit that has been altered, erased, or mutilated is invalid.

(k) *Display.* Any permit issued under this part must be maintained in legible condition and displayed for inspection upon request by any authorized officer.

(l) *Federal versus state requirements.* If a requirement of this part differs from a fisheries management measure required by state law, any dealer issued a Federal dealer permit under this part must comply with the more restrictive requirement.

(m) *Sanctions.* Permits issued or sought under this section may be suspended, revoked, or modified, by procedures governing enforcement-related permit sanctions and denials, found at subpart D of 15 CFR part 904.

§ 697.7 Prohibitions.

(a) *Atlantic Coast weakfish fishery.* In addition to the prohibitions set forth in § 600.725 of this chapter, it is unlawful for any person to do any of the following:

(1) Fish for, harvest, or possess any weakfish less than 12 inches (30.5 cm) in total length (measured as a straight line along the bottom of the fish from the tip of the lower jaw with the mouth closed to the end of the lower tip of the tail) from the EEZ.

(2) Retain any weakfish less than 12 inches (30.5 cm) in total length taken in or from the EEZ.

(3) Fish for weakfish in the EEZ with a minimum mesh size less than 3¼-inch (8.3 cm) square stretch mesh (as measured between the centers of opposite knots when stretched taut) or 3¾-inch (9.5 cm) diamond stretch mesh for trawls and 2⅞-inch (7.3 cm) stretch mesh for gillnets.

(4) Possess more than 300 lb (135 kg) of weakfish during any one day or trip, whichever is longer, in the EEZ when using a mesh size less than 3 1/4-inch
